The 1986 Annual of the West Chowan Baptist Association is dedicated to Rev. and Mrs. Henry Powell. They have served the Association as Director of Missions and Secretary for 12 years.

He was educated in the public schools of Spartanburg County, graduating from Boiling Springs (SC) High School in 1938; North Greenville College in 1940; Furman University, (B.A.) in 1942. In 1946 he received the Master's Degree in Theology from Southwestern Baptist Theological Seminary, Fort Worth, Texas.

While a student at Southwestern he served the Hepzibah Baptist Church, Winnsboro, Texas, as pastor, 1945-46.

On January 21, 1947, he began a 40-year-career as Associational Missionary in North Carolina; serving the old historical Sandy Creek Association for 3½ years (1947-50); the Green River for 9 years (1950-59); the Columbus for 2½ years (1959-61); the Blue Ridge for 13½ years (1961 to 1974); and the West Chowan since December 1974.

As a teen-ager she joined the First Baptist Church, Asheville where she was active in all youth activities: Sunday School, Church Training, Acteens.

In the summer of 1945, prior to her marriage to Henry Powell, she served as a summer worker with the N.C. Baptist State Convention's Church Training Department.

During these 40 years she has ably assisted in every phase of church work, serving in the local churches as Sunday School teacher, W.M.U. Director, Director of Senior Adult Activities, etc. She served two churches in the Blue Ridge Association as Minister of Education and Youth.

For the past 20 years she has served as Associational Secretary. In addition she has served as Associational W.M.U. Director, Mission Study Director, Sunday School and Church Training Preschool Leader, and as Associational Clerk.

She served one three-year term on the State W.M.U. Executive Board. She is a Preschool Special Worker for the State S.S. and Church Training Departments and a writer of Preschool materials for the Baptist Sunday School Board in Nashville, Tennessee.

Constitution

NAME

Article 1. This body shall be known as the West Chowan Baptist Association of North Carolina.

MEMBERSHIP

Article 2. It shall be composed of messengers elected by the churches connected with this body and all ordained ministers who are pastors of said churches, together with the officers of this Association, and chairmen of all standing committees. Each church of 100 members and under shall be entitled to two messengers, and for each additional 100 members, an additional messenger, provided that no church shall have more than 10 messengers.

PURPOSE

Article 3. The purpose of this Association shall be to inspire, encourage, and enlist its membership in a spirit of brotherly love and cooperation, for the promotion of the entire program of our denomination; to the end that the gospel of our Lord and Saviour Jesus Christ might be proclaimed with greater power and effectiveness in our Association, our State and Nation, and unto the uttermost part of the world.

POWERS AND PREROGATIVES

Article 4. The Association shall have no powers to infringe upon the sovereignty or rights of the churches. It is neither an ecclesiastical nor legislative council, nor a court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. There shall be full recognition of the autonomy of the local church and there shall be full recognition of the autonomy of the Association. However, in view of the combined wisdom, piety and intelligence of the Association, it justly claims the very highest consideration and regard for itself, its objects and its recommendations.

Article 5. Any Baptist church in good standing approving the design, objects and principles of this Association, and holding the same doctrine and ordinances, may be admitted into fellowship upon two-thirds vote of the messengers. Article 26. *Baptist Faith and Message* Statement.

I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture or error, for its matter. It reveals the principles by which God judges us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ.

II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ, he was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself the demands and necessities of human nature and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His death on the cross, He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, partaking of the nature of God and of man, and in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God. He inspired holy men of old to write the Scriptures. Through illumination, He enables men to understand truth. He exalts Christ. He convicts of sin, of righteousness and of judgment. He calls men to the Saviour, and effects regeneration. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the assurance of God to bring the believer into the fulness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. MAN

Man was created by the special act of God, in His own image, and is the crowning work of His creation. In the beginning, man was innocent of sin and was endowed by His Creator with freedom of choice. By his free choice, man sinned against God and brought sin into the human race. Through the temptation of Satan, man transgressed the command of God and fell from his original innocence; whereby his posterity inherit a nature and an environment inclined toward sin, and as soon as they are capable of moral action become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every man possesses dignity and is worthy of respect and Christian love.

IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense, salvation includes regeneration, sanctification, and glorification.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures of Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

B. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

C. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God, according to which He regenerates, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall preserve to the end. Believers may fall into sin and through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the cause of Christ, and temporal judgments on themselves, yet they shall be kept by the power of God through faith unto salvation.

VI. THE CHURCH

A New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation, members are equally responsible. Its Scriptural officers are pastors and deacons.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages.

VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, work of necessity and mercy only being excepted.

IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. LAST THINGS

God, in His own time and in His own way, will bring the world its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ.

XII. EDUCATION

The cause of education in the Kingdom of Christ is to coordinate with the causes of missions and general benevolence, and should receive along with these, the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people.

In Christian education, there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the preeminence of Jesus Christ, by the authoritative nature of the Scripture, and by the distinct purpose for which the school exists.

XIII. STEWARDSHIP

God is the source of all blessings, temporal and spiritual; all that we have and are, we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under the obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. THE CHRISTIAN AND THE SOCIAL ORDER

Every Christian is under obligation to seek to make the will of Christ supreme in his own life and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Christ Jesus. The Christian should oppose in the spirit of Christ every form of greed, selfishness, and vice. He should work to provide for the orphaned, the needy, the aged, the helpless, and the sick. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends, Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

XVI. PEACE AND WAR

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ, they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love.

XVII. RELIGIOUS LIBERTY

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom, no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

The General Board of West Chowan Baptist Association met four times during the associational year 1985-86. Nathan Copeland III, moderator, presided over each meeting.

Each organizational director was given time to give a report and promote the work of his organization. Committee chairman gave reports of their work.

During the year the General Board approved the following actions:

1. To have a World Mission Conference in November 15-22, 1987.
2. To hire a person to supervise the building of the association office using volunteer labor.
3. To let the Bertie Union meeting become the Spring meeting of the association beginning this year (1986). This meeting will be held the fourth Tuesday in April and will be an afternoon and evening meeting.
4. In April the following were elected to serve on the Search Committee for a new Director of Missions.
   Bertie County: Jack Byrd and Mrs. Patsy Bryant
   Hertford County: Mrs. Ruth Miller and William Lawrence
   Northampton County: Lonnie Armstrong and Dave Holladay
   The new DOM would not begin his work until after January 21, 1987.
5. Approved a revised job description for Director of Missions.
6. Will recommend to the Fall session structural and terminology changes in the constitution.
7. Will recommend to the Fall session the adoption of the proposed budget for 1986-87 as presented by Bob Spivey, chairman of Stewardship/Finance Committee.

Missions Committee Report

This has been a year of great excitement and anticipation for Volunteers in Missions. A good number of our folks have been involved in projects in Virginia, West Virginia, overseas, and perhaps in some other states. But most of all, we have been involved in projects across our state. Places like Caswell, Fruitland, and West Chowan, where buildings were being built and others being renovated.

We want to express deep appreciation to all the churches and individuals who have committed themselves to such mission involvement. Our most grateful appreciation goes

to all the churches that have contributed money to the new associational office building, and to those men and women that have contributed time, food, and labor to make this building a reality.

All of these same mission projects are still available plus much, much more. Let us pray that "The Lord of the harvest will send forth laborers into His harvest."

Evangelism Report

The West Chowan Baptist Association had 32 of its churches participating in the "Good News America, God Loves You" simultaneous revivals, March 9-16, 1986. These revivals were preceded by some very intense preparation led by an effective associational revival steering committee. This pre-revival preparation was fittingly climaxed with an impressive evangelistic rally at First Baptist Church, Ahoskie on February 24, 1986. Dr. Alfred Wright, pastor of Adamsville Baptist Church and former N.C. Baptist full-time evangelist, was the guest evangelist. Many of our participating churches have reported that these revivals were the best attended with more of the membership involved than ever before. Every indicator from our churches throughout the Southern Baptist Convention is that God blessed during this mighty simultaneous revival effort and total baptisms should show a healthy increase over former years when they have been down.

Our association plans to have another evangelistic mass rally for all our churches in the spring of 1987. The date, time, and place will be announced later. Let us continue to give evangelism the top priority God intends for it to have in all of our churches throughout the West Chowan Baptist Association. If we would do this, we could better fulfill the Great Commission given to us by our Lord in Matthew 28:19-20. May God bless us and help us to be faithful soul winners for the Lord Jesus Christ.

Ordination Committee Report

The Ordination Committee has been called upon on two different occasions to question men who have answered the call to the ministry.

The first of these was a request of the Creeksville Baptist Church to examine Currie Lyn Burgess. Our committee met on December 23, 1985, at the church, with several of their deacons who were invited to witness this examination. Mr. Burgess was asked to give his personal testimony concerning his salvation experience and call to the ministry. He also answered all the questions on the Bible, the Lordship of Christ, the Holy Spirit, and denominational questions to the satisfaction of the committee. The decision of the committee was unanimous to recommend to the Creeksville Baptist Church to proceed with the Ordination of Mr. Burgess.

A second request came from the Lawrence Baptist Church to examine Mr. Bobby Owens, who was already serving as their pastor. The committee was convened on January 14, 1986, at the church. Mr. Owens shared with the committee his experience of a personal encounter with the Lord in being saved and his call to the ministry. Then he was questioned on his views of Christian Doctrine and the Bible, church ordinances, de-

nominational responsibilities. All of the questions were answered to the satisfaction of the committee. A unanimous decision was reached, and we made a recommendation to the Lawrence Baptist Church to proceed with ordination of Mr. Owens.

Seminary Extension Committee Report

The Seminary Extension Department of the Southern Baptist Convention was established in 1951 by the Southern Baptist seminaries. This was in response to a need for continuing education for ministers and lay people. Under the auspices of the Seminary Extension Department two levels of courses (basic and college) are offered in several different areas.

In the spring of 1986, the Seminary Extension Committee of West Chowan Baptist Association offered to the people of the association an opportunity to study a course entitled, "Understanding the Bible." Three persons, each from a different church, participated.

Currently, in the fall of 1986, an effort is underway to strengthen and expand the activities of the Seminary Extension Committee in the West Chowan Association.

Twelve men and women are engaged in study Christian ethics, the fundamentals of music, and church growth. This is an obvious improvement over the spring session although the program needs to be expanded and strengthened.

Randolph Phillips is teaching the course in "Christian Ethics," Maryrose Lawrence is teaching the course in "Fundamentals of Music," and Henry Powell is teaching "Church Growth.

The Seminary Extension Committee is also exploring the possibility of making available to the people of the churches a course in "Clinical Pastoral Training." This is a new course developed by the seminaries and the Seminary Extension Department. It offers exciting possibilities for improving the quality of ministry in our churches. As soon as the details have been worked out, you will be receiving information on this new course.

Questions about the Seminary Extension Committee are welcomed and you are invited to talk with the chairman of the committee.

Church Training Report

The 1985-86 emphasis for Church Training has been "Developing Believers." This is a part of Bold Mission Thrust 1985-90. Church Training has the lead role in this emphasis. There are five strategies to help accomplish this emphasis. They are:

Strategy 1: Train Church Members
Strategy 2: Provide In-depth Discipleship
Strategy 3: Train New Members
Strategy 4: Study Doctrine
Strategy 5: Train Leaders

During the past church year Church Training in our association:

1. Held "M" Night at Aulander Baptist Church, November 25, 1985. The guest speaker was Rev. Mike Cummings, pastor Mt. Airy Baptist Church, Burnt Swamp Association.
2. Associational Church Training Team (ACCT) attended the Church Training Enabler Conference at Caraway Conference Center, January 10-11, 1986.
3. Area Doctrine Seminar held at First Baptist Church, Ahoskie on February 11, 1986.

4. Associational Youth Night held at Woodland Baptist Church, April 12, 1986. Guest, "The Trinity," a musical group from Richmond, Virginia.
5. Associational Children's and Youth Bible Drill Tournament at Galatia on April 24, 1986.
6. Associational Church Training Director attended Key Leadership Conference at Ridgecrest Conference Center May 12-14, 1986.
7. Held leadership conference at Meherrin Baptist Church.
8. Children and youth participated in State Bible Drill Tournaments in May 1986. There were winners from Galatia and Winton churches.
9. Church Training Workshop for all teachers and officers, Ahoskie First, September 29, 1986.

Some of the goals set by our Associational Church Training Council are:

1. Begin two *new* Church Training programs
2. Increase number of churches participating in youth and children's Bible Drills

The following have served on the associational Church Training Council this past year:

Frank Stansbury, Church Training Director
Kenneth Bunch, Adult
Elaine Coburn, Youth
Janie Stansbury, Children
Reba Mayle, Preschool
Wayne Simpson, New Church Member Training

The first event for the 1986-87 year is "M" Night. This will be held at Bethel Baptist Church on Monday night, November 24, 1986.

I appreciate the support I have received from the pastors and lay people in helping us in Church Training, "Developing Belivers" in West Chowan Association.

Woman's Missionary Union Report

Woman's Missionary Union is growing in West Chowan Association. Women and preschoolers are learning about missions and doing mission action. We are a part of Bold Mission Thrust. We challenge each church to become an active and vibrant W.M.U. organization. Reach more women and preschoolers during 1987, use your prayer calendar every day and do more personal witnessing in your every day walk.

We are still excited at our Baptist Women's World Day of Prayer held at Ahoskie First on November 4. Results from our prayer chain are still being seen and heard. They had a Recognition Service in Murfreesboro with an overflow crowd.

Young Baptist Women had their banquet at Mars Hill with a good attendance. They used the Associational Council 100 years of fashion for their program.

Baptist Young Women had their banquet at Riverside with "Skeet" Hadley of Ocean View Ministries as their guest speaker.

Acteens had a lock-in at Askewville. Jack and Bertie Ann Yates were the speakers. The Acteen Leader Banquet in Union had the theme "Hawaiian Luau" and Gloria Thompson was the speaker.

The Girls in Action activities included camps at Chowan College, Father-Daughter-Pastor Banquet with Jack and Bertie Yates speaking; Christmas in August at Cashie with Donald Davis, missionary to Uruguay; a trip to state office in Cary.

Mission Friends had a leader banquet at Ahoskie First with Corene Harris (Panama trip) speaking.

Mission Action prepared our boxes for Odom prison. Brotherhood delivered. We had a mission fair which included conferences on Hospice, jail ministry, abused families, etc. There were two personal witnessing training sessions - one at Potecasi and one at Askewville.

We had Pastors' Appreciation Night at Chowan College with about 90 in attendance. Dr. Chamblee from Chowan did our program. Council also had Mr. George Shore, Raleigh, to teach the book *Our Situation Is Different.*

Most of our churches celebrate 100 years old this year starting with the 100 days of prayer ending in Raleigh at our W.M.U. Convention. The Associational Council had a banquet the first night in Raleigh and signed picture for the centennial year. This was the first year in a long time we made our trip to W.M.U. Convention without Jay Porter. She will be missed by W.M.U. in West Chowan Association.

Mrs. Ruth Miller, Director

Brotherhood Report

We have come to the close of another busy year for our Brotherhoods. Our Brotherhoods have been involved in many mission activities during this past year. These activities include supplying firewood to the needy, cutting of grass for widows, fruit baskets for the needy at Christmas, and delivery of the associational gifts at Christmas to Odom Prison. One Brotherhood went to a Substance Abuse Treatment Center and had services and singing for the patients there. Another group spent a week at Fruitland Bible Institute. While there they replaced the roof on a building and painted several apartments. Our Brotherhoods have also donated many hours of labor to the building of our new associational office. These are just a few of the things our Baptist Men are doing.

It has also been a year of training as we have tried to better equip ourselves to serve our Lord. I attended the Key Leadership Conference at Ridgecrest and found what N.C. Baptist Men are doing and the programs that are available to us. Several of our Baptist Men's groups attended a meeting near Edenton. We inspected and received information about the Disaster Relief Van that is sponsored by N.C. Baptist Men. We listened to David Langford, Director of the Brotherhood Department of the N.C. Baptist State Convention, as he challenged us to greater service for our Lord.

We had a Brotherhood Leadership Conferece at Meherrin Baptist Church. It was conducted by our own Rev. Frank Stansbury for the Brotherhood and by Tommy Puckett, from the state office, for R.A.'s. Practical ideas, goals, and plans to help us next year were offered.

This has been a good year for Brotherhood. We are moving forward and becoming more involved in mission work. I want to thank each of you for your help and I look forward to serving you this year.

Music Report

Musicians of the West Chowan Baptist Association have had a full year of service in music ministry.

1. The associational Music Director attended the State Leadership Conference at Ridgecrest.
2. Local church music directors and choir members attended the volunteer workshops at Caraway during the year.
3. The church choirs presented music at weekly worship services, special occasions, revivals, and programs for various groups throughout the communities.
4. Twenty-seven directors and accompanists were involved in the leadership conference to prepare for the "Good News America, God Loves You" Crusade.
5. Thirty-five church music leaders were the choir for the evangelistic rally in January and presented music for the services.
6. Several churches in Northampton County joined Robert's Chapel Baptist Church for a choir workshop in January.
7. Cards were sent to all of the directors for the crusade rally in January.
8. Cards were sent and phone calls were made to the individual directors giving information about upcoming events and directions for activities of the year.
9. Telephone contacts were made to give encouragement for participation in the evangelistic crusade, for meeting at Caraway, the regional music conference in Edenton, and the Seminary Extension course on the fundamentals of music at Creech Memorial Baptist Church this fall.
10. Music was planned and directed at the "Good News America, God Loves You" evangelistic rally as well as the associational spring and fall meetings.
11. The West Chowan Baptist Association will receive a Basic Actions Standard of Excellence certificate for the Associational Music Program in 1985-86. We can be thankful for the hours and energy given for the local music services.

The accompanists for the associational meeting will be:

October 21, Aulander Baptist Church: organist - Mrs. Joseph Vaughan, pianist - Mrs. Arba Godwin.

October 22, Ashley's Grove Baptist Church: organist - Mrs. Franklin Futrell, pianist - Mrs. Vincent Tilson.

As another church year begins, more new members are being reported for the various musical challenges. There continues to be a need for talents to be used in music.

Let us be involved in singing praises to God with the great miracle of the voice and using the instruments to be played for His glory and honor. Let us pray for one another, that God's will may be done in our lives of service.

Thank you for this year. God be with you until we meet again in person, by telephone, or letters.

Associational Missions

Associational Missions is still the key to our S.B.C. World Missions program. Because it is closest to the churches and the most numerous of our mission organizations, it has the unique opportunity to provide the churches with the assistance they need in fulfilling their Great Commission.

The Southern Baptist Convention and the Baptist State Convention cannot provide the personal contacts to the churches that they need. There are 36,000 churches working through the S.B.C. The primary emphasis of the S.B.C. is Foreign Missions, Home Missions, the Seminaries, the Radio/T.V. Commission, and the Relief and Annuity Board. This basic program design as well as a very limited staff make it possible for the S.B.C. to reach every church personally and individually.

The same is true with the State Convention. With 3,600 churches in N.C. and a limited State Missions staff, they can never minister directly to all the churches of the state.

But the Association can. There are 79 associations in N.C. and nearly 1,200 in the S.B.C.

The local church is primary in the plan of God to accomplish His redemptive purposes in the world. The Association was created BY the churches and FOR the churches. Being the closest denominational organization to the churches the Association can provide the personal attention needed by the churches to assist them in their redemptive mission.

The Association has both the organization and the (volunteer) personnel to help the churches in a very practical as well as a personal way.

The Association stands between the churches and the State and S.B.C., interpreting to the State and S.B.C. the needs of the churches and to the churches the resources available from the State and S.B.C. that will assist them in their work. Through its personnel, programs, and activities the Association is able to assist the churches in many ways.

This past year in West Chowan was another good one. The highlight of the year was the "Good News America" Simultaneous Revivals in which the majority of our churches participated. All organizations have been busy as the reports of the Directors have indicated. The Associational office is well on the way to completion.

The years to come should be the most effective in the life and ministry of the West Chowan Baptist Association. Thank you for the privilege you have given me of sharing in this work these past 12 years.

Respectfully submitted,
Henry Powell

CHOWAN COLLEGE

MURFREESBORO, NORTH CAROLINA 27855

OFFICE OF THE PRESIDENT

October 15, 1986

Mr. Nathan Copeland, Moderator
West Chowan Baptist Association
P.O. Box 237
Windsor, NC 27983

Dear Nathan:

As you and your fellow messengers to the West Chowan Baptist Association convene in annual session on October 21-22, the Administration, Faculty/Staff, and student body of Chowan College want you to be aware of our appreciation and gratitude for your continued support of Christian higher education.

That portion of Cooperative Program gifts which the several churches within your fellowship "channel" our way through the Baptist State Convention of North Carolina represents a considerable and valued segment of our annual operating budget. We pledge our best efforts to use it wisely as good administrators of your stewardship. Those ninety-four (94) students within the bounds of your churches and/or communities who are currently enrolled at Chowan represent potential Christian leadership for the future. We pledge our best efforts at encouraging and enabling them to prepare for that leadership, as they prepare for those particular vocations through which it can be exercised.

Meanwhile, as you reflect upon your ministry throughout 1985-86 and anticipate the opportunities for service and growth during 1986-87, be assured of our prayers, encouragement, and support, as "laborers together with God"--and with you--in Christian Mission.

Cordially,

AULANDER BAPTIST CHURCH

ASHLEY'S GROVE BAPTIST CHURCH

JOHN OLIVER
Pastor of Ashley's Grove Church

History of Aulander Baptist Church 1886 - 1986

The Aulander Baptist Church was located at the corner of East Main and Pine Street. The value of the original wooden structure was $1,250.

Around 1894 the church was moved to its present location and many of its members left to establish the Dudley's Grove Church (now Oak Grove). The church saw many years of progress. However, during the 20s, under the leadership of Rev. J. Fred Stimson, the church undertook a bold building program. The first and present parsonage was erected in 1924. The present large brick church had its foundation laid in November 1926.

It was the leadership of Rev. Lonnie Sasser, W.P. Milne, and Joseph Folds, along with many dedicated laymen that kept the church from being a victim of the ugly depression of the 1920s.

In 1966, under the leadership of Dr. James O. Shurling, the church and parsonage were renovated at the cost of $73,000. Also a new church organ was given by the Jenkins family.

The period from 1977 to 1986 has been a time of remarkable progress. During that time the church purchased a new van, installed a chair glide, paved its parking lot, upholstered the pews, started a very successful tape ministry, and did extensive renovations to the fellowship hall. Currently the members are enclosing the downstairs entrances and renovating the "Harrell House." All of this and more was accomplished by the leadership of Rev. Robbie Parker.

Our past is rich because of able leadership and sacrificial labor by our people. That same tradition is being carried on today. For that reason the future of Aulander Baptist Church is bright.

Mrs. Emma Bracy, Secretary

History of Ashley's Grove Baptist Church

Ashley's Grove Baptist Church was founded in 1909 with 88 members. It grew from a Sunday School first organized in 1892. The church occupied its first building in 1910, sharing a circuit preacher with several other churches. The original structure, with several additions and improvements, burned in January 1968. The church met in a community clubhouse and began the rebuilding process immediately. At the first business conference following the fire the church voted to call a pastor to serve on a full-time basis.

According to the church clerk's records, we have progressed to 314 members on roll. Three of these people were charter members! Many of the new members were baptized in Potecasi Creek even as late at the 1950s. The church budget has increased from $195.42 in 1909 to almost $50,000 for 1986-87.

A parsonage was constructed in 1950 and has provided this rural church community with fellowship of a resident pastor since that time. The home has been improved with a remodeled kitchen and better heating system.

In 1984 the church celebrated its 75th birthday with special services. There were approximately 450 members and guests attending. The worship service and dinner on the grounds were recorded on video tape for posterity.

The Reverend John Oliver has led our church since November 1984. He has encouraged the church to increase its ministry to the youth and senior citizens and to establish a visitation program. The church is presently shopping for a new church bus to serve these goals.

It is the historian's prayer that the history of Ashley's Grove Baptist Church will never be completed. So long as there are people on earth, there will be a need for the worship of our Lord and study of His word. This church fulfills a great need of its members and, perhaps more important, the unsaved who live within the sound of its voice.

A Brief History of Elm Grove Baptist Church

The Elm Grove Baptist Church was organized on May 15, 1932, following a very fruitful revival conducted by Rev. George W. Burch. The meeting was so well attended that the small tenant house in which the services had been scheduled proved insufficient to accommodate the congregation. A brush arbor was erected near the house to accommodate the crowd. The church was constituted with 57 members.

Interest in a church in "Jernigan Town" probably should be traced to the establishing of a Sunday School in 1895. Sessions were conducted in the Elm Grove Public School building near the present site of the church. This Sunday School was organized with 62 members, meeting from 9:00 a.m. till 12:00 noon with a short intermission at 10:30. The Elm Grove Public School was eliminated with the consolidation of the public schools. The Sunday School meeting in the school building ceased to exist for several years. The school was eventually revived with meetings being held in the tenant house previously mentioned.

Soon after the revival meeting above, the people of the community around Elm Grove determined to build a building in which to conduct worship services. This building was completed and dedicated to the glory of God on February 4, 1932. Since that date many additions and renovations have been made to the building and properties.

Since 1980, our budget has allocated at least 10 percent of the budget to the Cooperative Program and at least three percent to West Chowan Associational missions.

Three of our young men have been called of God for full-time service and sent out by our church as ministers of the Gospel of our Lord Jesus Christ. They are: Rev. Joseph Lassiter, Rev. Charles Thompson, and Rev. Hugh Mizelle. Another young man, Wesley Jernigan, has answered the call to preach and is preparing for the ministry. Also, Miss Janie Jernigan has been endorsed by our church for mission work to the deaf. Hubert L. Mizelle is our present pastor.

It is with thankful hearts that we assess the blessings of the past. With prayerful expectation we look to the future. We believe that God has given Elm Grove Baptist Church a mission to win the lost to a saving faith in Jesus Christ, and to train the saved for useful service for their Master.

With God's help, Elm Grove Baptist Church will carry out its mission.

A Brief Historical Sketch of the Bertie Union Meeting

By action of the West Chowan Association in October last, the former "Bertie Union Meeting" became - officially - the Spring Meeting of the West Chowan Baptist Association. Such action recognized the current character and nature of this particular gathering, and it corrected what had long been an anachronistic title or designation. It also removed the last vestige - nominal though it had become - of a kind of interchurch fellowship among Baptists of eastern North Carolina which formerly played a valued and vital role in fostering church and denominational interests within that geographical region bounded by the Roanoke and Chowan rivers.[1]

Any attempt to provide an adequate - much less comprehensive - history of the Bertie Union Meeting is hampered at the outset by two primary considerations: (1) Unlike associational records, the Proceedings of the Bertie Union Meeting were never printed and distributed among the churches. (2) Since the Bertie Union Meeting and her sister union meetings were independent of the district association with which the churches were also affiliated, references to these meetings are rare items within the *Minutes* of the Kehukee Association, the Chowan Association, and even of the West Chowan Association, prior to 1940.[2]

Records of the Cashie Baptist Church indicate that the Bertie Union Meeting was probably organized in 1801.[3] However, it is to Lemuel Burkitt and Jesse Read, the pioneer historians of the Kehukee Association, that we owe our earliest certain knowledge of the nature of union meetings, in general, and of the Bertie Union Meeting, in particular. Burkitt-Read introduce the subject of Union Meetings in an almost casual manner in conjunction with their discussion of the Great Revival which swept through the churches of the region, 1801-1804. In order that their readers might understand something of the nature of such gatherings, the authors included the following description of the nature of a union meeting, along with the constitution of the Bertie Union Meeting:

> An Union Meeting consists of several churches, being convenient to one another, of the same faith and order, who meet at stated times to confer in love, about matters relating to peace, brotherly union, and general fellowship. The time the meeting holds is generally three days. On the first day when they meet one of the ministers delivers a suitable sermon introductory to business; then all the brethren present from every church, who are in fellowship, sit in conference, and any brother is at liberty to propose such cases of conscience, as he wants advice on; or any difficult passage of scripture on which he wants light; or anything else which tends to the harmony of the churches, or to love and peace amongst brethren. And when the conference adjourns, the rest of the time is engaged in preaching, praying, singing, etc.[4]

Burkitt-Read then conclude their brief discussion of Union Meetings by relating the conversion of a very prominent citizen of Bertie County at the Union Meeting held with Wiccacon Church Colerain, June 1803; and of the effects upon a multitude of persons -estimated at 4,000 - who were in attendance upon the Union Meeting which was held at Parker's Meeting House Meherrin in August 1803:

> The weather proved very rainy on Sunday. There was a stage erected in the meeting house yard; and at about half after 11 o'clock, Elder Burkitt ascended the stage to preach, and it was expected from the appearance of the clouds it would rain every moment, and before he was done preaching it did so. Yet notwithstanding the numerous congregation still kept together; and although every effort was made to shun the rain, by umbrellas, carriages, blankets, etc.; yet we believe 1,000 persons were exposed to the rain without any shelter; and some crying, some convulsed to the ground, some begging the minister to pray for them; and they composedly stood and received the falling shower without ever being dispersed.[5]

Such other records of the Bertie Union Meeting as we now possess suggest that many of the earliest features of the Union Meeting were retained, with slight modification, throughout the first century or more of the Union's existence.[6] The manuscript Proceedings for a session of the Bertie Union Meeting held with Mt. Carmel Church, August 29-31, 1856, may be considered typical. By way of introductory discourse, Elder W.W. Kone read an essay on "The Design of Baptism." After intermission of 30 minutes, the roll of the churches was called, with seven of the 20 churches in the Union represented by duly elected delegates. Assignments were made for the preparation of essays to be read at the next Union Meeting: an essay on "Christian Union" and one on "Justification by Faith." Resolutions were passed recommending the organization of Sabbath Schools in each of the churches, and resolutions discountenancing the use of "ardent spirits and all intoxicating liquors."

> On Sabbath morning the sacrament of the Lord's Supper was administered, before an attentive audience, after which and just before preaching a collection was taken and the sum of thirteen dollars and fifty cents was paid into the Treasury — Elders Hoggard and Kone by appointment occupied the pulpit today and faithfully preached the word to a large congregation in the house — while Bro. B.B. Williams by appointment preached to the coloured people in the grove — May the Lord Bless their efforts.[7]

In several instances, the Bertie Union Meeting either anticipated or formally introduced measures which later became a concern, or a project, of the association. For example: the impetus for establishing Chowan Female Institute (Chowan College) originated within the Bertie Union in 1847, prior to being formally proposed and adopted as an endeavor of the Chowan Association in 1848; or again, in August 1857, there was established a Colportage and Sabbath School Society of the Bertie Union Meeting - an immediate forerunner of the Bertie Union Sunday School Association, and of the West Chowan Sunday School Convention; the Reverend Benjamin Brown Williams, a native of Bertie County, was employed in 1858 as a missionary of the Bertie Union Meeting at a salary of $1.00 per day for the actual time spent in laboring among the churches and in places which were destitute of Gospel preaching; in the early years of the Civil War, special collections were taken at the Union Meetings for the provision of needed clothing, Bibles, and other religious literature among the soldiers of the Confederacy.[8]

Varied attempts were made throughout the history of the Bertie Union Meeting to provide programs which would be of such interest as to attract the largest possible assemblage of delegates and visitors. At a meeting held with Pleasant Grove Church, January 28-30, 1848, a committee which had been appointed for that purpose recommended two particular measures which were designed to increase interest in the Union Meetings: (1) Have the Minutes printed in the pages of the *Biblical Recorder*, and (2) Appoint some member to prepare an essay on a subject of general interest - the essay to be read at the succeeding meeting of the Union. Accordingly, William P. Britton, a promising young minister, was appointed to write an essay on "Means of Preventing Declensions After Revivals." Britton's essay was subsequently printed in the issues of the *Biblical Recorder* for October 28 and November 4, 1848.[9]

In addition to the preparation and reading of essays on various subjects, the Union Meeting often posed queries, or questions, with the indication that these would be discussed at a succeeding meeting. Thus, in April 1860, the following queries were proposed for future discussion: "Can the Heathen Be Saved Without the Gospel?" "Did Judas Partake of the Lord's Supper?" "Is a Tenth of a Christian's Income More Than He Ought to Devote to Objects of Benevolence?" "Do the Actions of the Moralist, Which are Right in Themselves, Entitle Him to Reward in a Future Life?" Or again, the following queries were discussed in May 1863: "Is It Consistent for Baptists to Hold Pulpit Communion with Pedobaptists?" "Is the Church in Any Sense the Birthplace of the Christians?" "Are the Temporal Comforts which Men Receive Without Asking, Blessings?"[10]

Ministers were asked, on occasion, to prepare and deliver an exposition of some particular Biblical text. After 1869 the Bertie Sunday School Association met in conjunction with one of the quarterly meetings of the Bertie Union Meeting. In more recent years, the annual Union Meeting has adopted a theme, building its program or order of service around that theme. Thus, for example, the program for the Union Meeting in August 1941, focused around the theme, "Our Church Covenant"; for March 1942, "The Bible as the Rule of Faith and Practice"; and for April 1974, "Building Christian Family Relationships."

Yet, failure to demonstrate proper support of the Union Meeting was voiced at least as early as 1848 - the first year in which a report on the Bertie Union Meeting was published in the *Biblical Recorder*. Although there were 61 delegates present from among the 18 churches composing the Union, the Clerk noted: "Out of 19 ministers in our bounds only 5 were present at the Meeting. When shepherds are so remiss, what can be expected of their flock?"[11] Or again, the following extracts were taken from a letter of James A. Delke which appeared in the *Biblical Recorder* of January 12, 1876:

> At its last meeting I was instructed to prepare for publication in the *Recorder*, a letter setting forth the claims of the organization, i.e., the Bertie Union Meeting . . . . The representation is generally too local, mostly confined to two of the three counties, and often too largely to one - there being only very few whose faces you can confidently expect to see.
>
> Many of our brethren, and some of them leading men in their churches, are too indifferent to these Meetings, and especially is this true of our ministers. These having no appointments for 5th Sundays, it seems to me, could generally attend.[12]

A more detached observer, however, was far more generous in his evaluation of the Bertie Union Meeting just after the turn of the Twentieth Century - especially when compared with similar gatherings in other sections of the State. Writing in the August 25, 1906, issue of the *Biblical Recorder*, Editor Livingston Johnson noted:

> The West Chowan brethren have great Union Meetings . . . . They make their Unions occasions for fostering local affairs, and many churches have been able to build houses of worship because of the help received by these Union Meetings. From five hundred to a thousand dollars a year is contributed to churches to aid them in building houses of worship. Account is not taken of these in reports to the Treasurer of the Convention. If these funds could be reported it would be seen that the West Chowan is doing much more than she gets credit for.

To understand and to appreciate the vital role played by the Bertie Union Meeting in the early and mid-Nineteenth Century, one must recall several circumstances which then prevailed. In 1801, the geographical boundaries of the Kehukee Baptist Association, with which the five constituent members of the Bertie Union were affiliated, extends from the Tar River on the west and south to the Atlantic Ocean on the east. Accordingly, there was a tremendous need for interchurch fellowship beyond that which a few selected delegates could experience at an annual meeting of the larger association. If the churches and meeting houses maintained stated occasions for preaching, such occasions were generally no more frequent than once a month, at best. Accordingly, there was a hunger for the preaching of the Gospel.

Finally, the combined efforts of a union of churches "convenient to one another," to use the phrase of Burkitt and Read, provided the best opportunities for the provision of itinerant preaching and missionary labors in destitute places, adequate and appropriate religious literature for struggling Sunday Schools, and instruction in and defense of the tenets of the faith as held by the people called Baptists.

As circumstances changed, so did the role and function of the Bertie Union Meeting. From three-day meetings, held quarterly throughout the years of the height of her influence, the Union began to relinquish one meeting annually to the Sunday School Convention. Then, an additional meeting to the interests of the Baptist Young Peoples' Union Convention. As three-day meetings ending on the fifth Sunday in the month became more impractical for the churches, the Union Meetings became one-day affairs. The last year in which as many as three of these one-day meetings were conducted was 1945. Since 1960 there has been one annual Spring Meeting of the churches lying between the Roanoke and Chowan rivers, formerly called the Bertie Union.

Today we discard a name, but the legacy of 185 years remains with us who now constitute, officially, the Spring Meeting of the West Chowan Baptist Association.

-- Prepared by Dr. R. Hargus Taylor, Chowan College, and read before the Spring Session of the West Chowan Baptist Association, April 22, 1986.

Footnotes

[1]In 1801 there were only five duly constituted Baptist churches located in that geographical region lying between the Roanoke and Chowan rivers: Cashie, Connaritsa, Meherrin (Parker's), Sandy Run, and Wiccacon. Four of these were situated within the bounds of Bertie County. Hence the name "Bertie Union."

[2]In accord with instruction of the Bertie Union, the Proceedings of the Union Meeting were frequently sent to the *Biblical Recorder* for publication in its pages after 1848. These reports are fairly common in the pages of the *Recorder* during the 1850s -1880s.

In 1940 the Bertie Union Meeting requested space for the printing of its Proceedings in the annual *Minutes* of the West Chowan Baptist Association, with the understanding that the Union would be responsible for paying the cost of those pages which were devoted to its record or report.

[3]The Cashie Baptist Church, in monthly conference, agreed to "join the Union Meeting" in April 1801. One year later the Cashie Church "ordered that the Clerk prepare a letter to the Union Meeting to commence on Friday before the third Lord's Day in this Instant (month), inserting the numbers of members received since the first Union Meeting." See *Records of Church Conference,* Cashie Baptist Church, June, 1802.

[6]In some cases those reports of the Bertie Union Meeting which were printed in the *Biblical Recorder* appear to be a transcription of the actual records of the Proceedings which were provided by the Clerk. In other cases the editor of the *Recorder* published only a summary of the actions of the Union Meeting.

[9]The session of the Bertie Union at which Britton read his essay was scheduled to be held at Jumping Run. William S. Powell's *North Carolina Gazetteer* lists a number of branches or creeks which bore the name "Jumping Run." None of these, however, lay within the bounds of the territory served by the Bertie Union.

Article 26. *Baptist Faith and Message* Statement.

I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture or error, for its matter. It reveals the principles by which God judges us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ.

II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ, he was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself the demands and necessities of human nature and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His death on the cross, He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, partaking of the nature of God and of man, and in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God. He inspired holy men of old to write the Scriptures. Through illumination, He enables men to understand truth. He exalts Christ. He convicts of sin, of righteousness and of judgment. He calls men to the Saviour, and effects regeneration. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the assurance of God to bring the believer into the fulness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. MAN

Man was created by the special act of God, in His own image, and is the crowning work of His creation. In the beginning, man was innocent of sin and was endowed by His Creator with freedom of choice. By his free choice, man sinned against God and brought sin into the human race. Through the temptation of Satan, man transgressed the command of God and fell from his original innocence; whereby his posterity inherit a nature and an environment inclined toward sin, and as soon as they are capable of moral action become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every man possesses dignity and is worthy of respect and Christian love.

IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense, salvation includes regeneration, sanctification, and glorification.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures of Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

B. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

C. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God, according to which He regenerates, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall preserve to the end. Believers may fall into sin and through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the cause of Christ, and temporal judgments on themselves, yet they shall be kept by the power of God through faith unto salvation.

VI. THE CHURCH

A New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation, members are equally responsible. Its Scriptural officers are pastors and deacons.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages.

VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, work of necessity and mercy only being excepted.

IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. LAST THINGS

God, in His own time and in His own way, will bring the world its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ.

XII. EDUCATION

The cause of education in the Kingdom of Christ is to coordinate with the causes of missions and general benevolence, and should receive along with these, the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people.

In Christian education, there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the preeminence of Jesus Christ, by the authoritative nature of the Scripture, and by the distinct purpose for which the school exists.

XIII. STEWARDSHIP

God is the source of all blessings, temporal and spiritual; all that we have and are, we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under the obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. THE CHRISTIAN AND THE SOCIAL ORDER

Every Christian is under obligation to seek to make the will of Christ supreme in his own life and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Christ Jesus. The Christian should oppose in the spirit of Christ every form of greed, selfishness, and vice. He should work to provide for the orphaned, the needy, the aged, the helpless, and the sick. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends, Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

XVI. PEACE AND WAR

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ, they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love.

XVII. RELIGIOUS LIBERTY

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom, no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

CENTER GROVE BAPTIST CHURCH

HERMAN HICKS, PASTOR

On the 28th day of December 1896, the people of this community, led by C. S. Godwin, Sr. met in a call meeting to discuss plans for a house of worship. The site was donated and a motion carried to build a house 30 ft. by 44 ft.

Junious Holloman gave most of the lumber on the stump for the building and J. S. Mitchell furnished a water powered saw mill to saw about 6,000 feet of lumber. Others gave money and labor. Carpenters were allowed $1.00 per day and helpers 60¢ per day to pay on their pledges.

Many names were suggested for the new chapel, but since it was in a central location, it was named Center Grove.

In the spring and summer months of 1897 the lumber and other materials were placed on the grounds. In July 1897 the building was begun and by late September the building was completed and painted. Pews and pulpit were in place and ready for use.

Rev. L. M. Curtis preached the first Sunday in October and on December 30, 1897 the new church was organized. Fifty one (51) charter members constituted the new church and brought letters. Deacons were elected and ordained. The church convenant and Articles of Faith were read by Rev. Curtis and adopted by the church.

In 24 months the membership climbed from 51 to 149 members. 53 of these were received by baptism.

In February 1900, two Sunday School classes were added to the rear of the church and on the 5th Sunday in April, 1900, the building was dedicated.

In 1920, Mrs. Allie Dilday helped organize our first Woman's Missionary Society. There were 6 charter members. Mrs. Nettie Overton, last of the charter members died in 1986 at the age of 102. The Brotherhood and youth organizations were organized in later years.

In 1930 it was decided again to build a new building. The work began in March 1936 and was completed in a few months. The new building was added to the old structure and when completed it consisted of an auditorium and 8 class rooms. While the building was under construction Sunday School services were never missed. A nursery and rest rooms were added years later.

New pews were installed in October, 1941 to replace the homemade ones that had been used for 41 years.

In 1960 our members felt the need for a place to have social gatherings and fellowship, so we voted to construct our Fellowship Hall. Members of the church did a lot of the work, and on May 26, 1963 the building was dedicated.

In the summer months of 1972 men of the church improved the grounds, and cement walks were poured by Elliott Harrell, also a church member.

From 1975 to 1985 we purchased our first choir robes. Storm windows and doors were installed and the church was insulated. Vinyl siding was put on the outside of the church. The pews were refinished and carpet was put in the class rooms. Three classes for the children were furnished with new furniture. The church received a new roof, the Fellowship Hall was painted and new curtains were hung.

In December 1986, we enlarged and remodeled our ladies rest room.

Earlier this year we again improved our grounds. Some of the men removed our old shrubbery and some trees. Then new shrubbery was purchased and set out.

We were host to the Bertie Union Meeting, now called The Association Spring Meeting in the years 1900, 1909, 1940 and now in 1987. We hosted the Fall Meeting in 1963.

Our church has had one (1) to dedicate himself to full time service for the Lord. Clarence E. Godwin was ordained into the ministry on August 11, 1940. He is now retired and living in Rocky Mount, N.C. He is a grandson of the church's organizing leader.

In our 90 year history, the church has never paid out a dollar in interest. It has had only 4 church clerks, 4 church treasurers and 6 Sunday School Superintendents. We have had 18 ministers to serve as pastor for terms of one (1) to over 12 years.

This church today is the result of community people desiring a place to Worship the Lord.

The oldest member of our church today is Mr. Arba S. Godwin, son of the former organizing leader, C. S. Godwin, Sr. His wife, Lela, of 62 years has served our church as pianist and now as organist for 62 years. She is at our organ today.

"Time takes it's toll, and life passes like shadows before us, but being true to our Faith we press onward. Not only for past blessings are we thankful, but for future joys we are hopeful, for great are the Wonders and Powers of God."

Lamar Wheeler, the chairman who labored for many hours in getting the building started and to its present 85 percent completion. The moderator said that it was impossible to recognize every individual who had worked but he would like to have some plaques to be put into the office building - one recognizing and honoring Mrs. Mae Odom Newsom for the land for the building; one for the building committee, Lamar Wheeler, Bob Spivey, Mrs. Grace Mitchell and Mr. Charles Edwards; one recognizing the volunteers. Their names would not be on it, but when they see the plaque they would realize it was an appreciation to them.

Then the moderator spoke about Lamar Wheeler, as chairman of the building committee, who for the past year and a half, had donated his time nearly every Friday and Saturday at the new office building, meeting with the contractor and other business that had to be taken care of. He asked for a motion that the large meeting room in the new building be named "The Lamar Wheeler Room". There was a motion and a second to this which was unanimously carried.

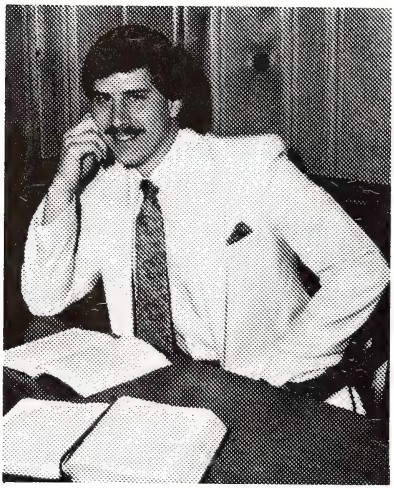
GALATIA BAPTIST CHURCH



BILLY NALE, JR., PASTOR

The first meeting place of Galatia Baptist Church was actually a brush shelter. A band of Christians met regularly with the weather permitting, but they were not an organized church at this time.

In 1852, the church was organized in a log schoolhouse. The church continued to meet there while a rectangular building was started near the crossroads at Galatia. Mr. Arthur Davis donated the land for this. Mr. Jessie Deloatch loaned the church $100 to get started. The first building was dedicated on July 13, 1859.

The first pastor was Rev. B. B. Williams who served until the Civil War when he was called into the service. During his absence Rev. John Lee filled in.

In 1892, the church called Rev. Dancey Cale to serve as their pastor. He served for the next 38 years. During the early years, only two preaching services a month were held on Saturday and Sunday's. Conferences were held on Saturday and attendance was required. Persons who broke the rules of the church had to appear before the conference and ask to be forgiven.

In 1899, a Missionary Society was organized with both men and women. Mrs. Johnnie Taylor was president. The WMU was divided into circles in 1928. A sunbeam band organized in 1922 and reorganized in 1930 with Mrs. Ruby Taylor as leader. A senior BYPU was organized in 1923 and extended to youth in 1930.

In 1926, the original church building was sold and a new one was built at a cost of approximately $10,000. It was dedicated on December 7, 1930.

The first parsonage was built in 1947. In 1950, Sunday School rooms were added and a Brotherhood was organized in the early 50's.

In 1959 the old church building was moved and the foundation for the present educational building was laid. It was completed in 1961 and there was a note burning in December of that year.

In 1962, work began on the present sanctuary and it was dedicated on December 8, 1963. The note was paid off in December, 1966. According to records approximately $110,516.00 was spent on the building.

In 1967, the Knox Britton home was purchased as a parsonage since the land was joining the church property. It was purchased for $18,000.

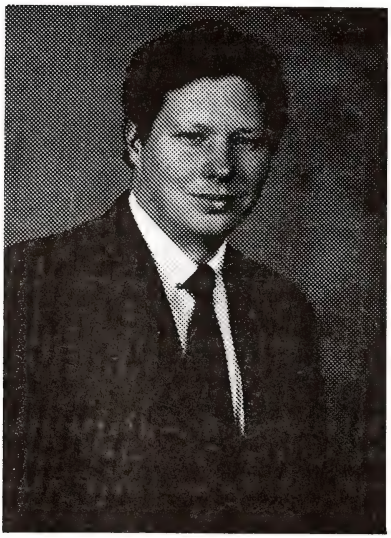
Rev. Lonnie Armstrong came as pastor in 1974 and served until 1987. The church purchased office equipment and repairs were made to the education building & parsonage. The church also purchased a small tract of land adjoining the church property.

Three people were called out from the church to do the Lord's work. They were Ricky Barnes, Tommy Glover and Vickie Tuggle.

In 1982, a church bus was purchased. In 1984, plans were presented for a new Fellowship Hall and it was completed in 1985 costing about $98,000. The debt on this was paid of in the spring of 1987.

Mrs. Corene Harris made 2 trips to Togo and then went to Panama. At the present time, the enrollment of the church is 444.

ASKEWVILLE BAPTIST CHURCH



FREDDIE HARRIS, PASTOR

Early in 1913, members of Askewville community decided to build a church. A. J. White donated an acre of land for the building and George Butler donated the first logs. Many people gave timber and labor. The women saved their egg money. Most of the charter members came from Ross Baptist Church. The new church was named Askewville Baptist.

Sunday School and Worship Services were held in the one room structure until 1926 when the building was remodeled adding 12 classrooms, belfry and vestibule. A church bell was donated by James R. White.

A parsonage was completed in 1951 on a lot given by L. J. White. This was sold in 1973 when a new parsonage was built. In 1984, new carpets were installed in the parsonage and cabinets were added in the utility room.

In 1963, the first floor of the educational building was completed. A second floor was added in 1974.

In 1966, new windows and a baptistry were added to the sanctuary and the exterior of the building was brick-veneered. In 1984, the sanctuary was again remodeled with new carpet, pews, lights, pulpit furniture, choir chairs and drapes. The old pulpit furniture was given to a mission church in the state of New York and the old pews were given to a mission church in the Chowan Association. In 1986, a new organ was purchased.

Askewville Baptist is a very mission-minded church. Several members have volunteered their services on the home and the foreign mission fields. The members support missions outstandingly, with last year's Lottie Moon offering totaling more than $11,000.

A picture directory was published in 1986. This was unprecedented in the history of the church.

The church will be 75 years old next April, yet there is still a spirit of expectancy as we serve the Lord together. Rev. Freddie Harris, our current pastor, has led our church since 1984. Askewville Baptist Church has reason to be proud of its history and heritage and we look forward to the future with the help of our Master.

OFFICE OF THE PRESIDENT

October 16, 1987

Mr. Nathan Copeland, III, Moderator
West Chowan Baptist Association
P.O. Box 237
Windsor, NC 27983

Dear Friend of Missions and Education:

The Trustees, Advisors, and faculty/staff, and student body of Chowan College extend Greetings! as you and your fellow-messengers from the churches affiliated with the West Chowan Baptist Association gather in annual session, October 20-21. Our prayer is that God's Spirit will permeate your deliberations, together, and each of the churches from which you come in the interest of pursuing Bold Mission objectives, at home and abroad.

We continue to be mindful of that strong measure of love, concern, and support which you exhibit towards all ministries associated with the name of Baptists in North Carolina. We are particularly mindful and grateful for that strong measure of love, concern, and support which you have exhibited towards our efforts at Christian higher education through Chowan College.

It is our good fortune to number several of our graduates and other former students among those who reside within the district served by your several churches. We are also pleased to be able to report that eighty-two (82) students who are currently attending Chowan College reside within the counties served by churches related to the West Chowan Baptist Association. We thank you for entrusting these to our care, with our pledge to offer them and their fellow-students the best possible educational opportunities, within the context of a basic commitment to Christian values and ideals.

Meanwhile, we solicit your continued love, concern, and support on behalf of our mission in education in the knowledge that without such love, concern, and support our best efforts cannot reach their greatest possible potential and benefit.

Cordially and sincerely yours,
Bruce E. Whitaker, President
R. Hargus Taylor, Chaplain to the College

PS: We would be gratified to have this communication read at the annual session of your Association and/or to have it included in your printed *Minutes* for 1986-87, space permitting.

Sunday School

The total Sunday School enrollment for all churches in West Chowan Association at the beginning of the 87 church year was 8,159. This is 221 less than the year before. Average weekly attendance was 61 less than the year before.

According to the 1986 Annual Report, there are 44 churches that have small Sunday Schools. The Sunday School Board describes a small Sunday School as having an enrollment of 150 or less. This number is more than two thirds of the churches in the association. Many of these are good Sunday Schools.

Three associational ASSIST team members attended special training in February, led by the State Sunday School Department. The training was held at Goldsboro. Those who attended were Rev. Mike Johnson, outreach training; Rev. Charles Smith, youth; and Rev. Herman Hicks, ASSIST director. The ASSIST team director also attended the State Key Leadership Conference at Ridgecrest in May.

The ASSIST team director met with Sunday School directors and pastors of eleven (11) churches in September. The latter part of the year has been given to planning for an age-group leadership conference in the association, coming up October 26-27 at the Woodland Baptist Church. Also, in October the regional Sunday School Conferences was held at Elizabeth City on October 2nd and 3rd. This meeting was promoted to all the churches, in September.

In Christ Service,
Rev. Herman Hicks
Assoc. Sunday School Director

Vacation Bible School

Two Vacation Bible School clinics were held this year—one at Meherrin Baptist Church and the other at Askewville Baptist Church. Total enrollment for both was 126, with 24 churches represented and 12 pastors.

A full time team of Vacation Bible School leaders attended the state training workshop at Williamston in February. They were:

Rev. Jim Harris - General Officers
Rev. John Spencer - Adults
Rev. Bill Miller - Youth
Mrs. Carolyn Jennings - Older Children
Rev. Luther High - Middle Children
Mrs. Edith Patterson - Younger Children
Mrs. Virginia Harris - Older Preschooler

Mrs. Betty Joyner - Middle Preschooler

When churches in our association have a Church Training members can.....

- Learn personal skills that enable them to grow spiritually and reach out to others in caring ways.
- Develop maturity in the Christian faith by studying doctrine, standards of Christian living, Christian History, and the ways churches function best.
- Develop their potential as servants of Christ.

- Become aware of and support the work of their church and worldwide missions causes.

I urge *all churches* in our association to let Church Training be a very vital part of *your* church program. Discover the benefits of Discipleship Training. Your church deserves the *best*.

Frank Stansbury, Director

Women's Missionary Union

WMU has had a good year! Many things are happening as we are getting ready for the National Centennial year.

Mission Action had a "Fair" in October. Attendance was great! The boxes were prepared for the Odom Prison at Christmas. Everyone was great in their giving.

Mission Friends enjoyed their "Meet the Missionary" in November held at the Askewville Baptist Church.

Girls in Action are always busy folks. They had a "Fall Carnival" in Colerain. The two main events of the year are always GA Camp at Chowan College and they were well attended. Also, Christmas in August was held at the Rich Square Baptist Church. Mrs. Janie Stansbury of Winton Baptist Church and Associational G.A. Director wrote the children's emphasis for State Missions this year for the state. We are so pleased to know we have this talent in our association. As we are gifted, we are called to serve. Use your gifts for the Lord.

Acteens had the Foreign and Home Missions studies with good attendance at both. Also in August they had a "Fund Day at Chowan College" whith Miss Lynn Latham. There was a Father/Daughter banquet at Conway in March.

Baptist Young Women had their annual banquet at Conway.

Young Baptist Women had their annual banquet at Cashie Baptist Church with good attendance, in March. Also, they had a joint Enlistment Get-Together with the Baptist Young Women in October, with Mrs. Hope Christian as speaker.

Baptist Women had a big day in May at Chowan College when they headed a gathering of all mission organizations to hear Miss Mildred McWhorter speak. The attendance exceeded 350. A baby shower was headed up by the associational Acteens and everyone gave generously.

Our host for the 1987 Annual WMU Meeting was Galatia Baptist Church. They did a superb job as usual. Mrs. Jan High was the speaker who is the state WMU consultant.

Leadership conferences have been held, so we are into a new year. Let's move forward and enlist more women and children into our mission organizations.

Mrs. Ruth Miller
WMU Director

Brotherhood

I am happy to report that this has been an encouraging year for Brotherhood in the West Chowan Association. We are beginning to grow in numbers and in our efforts to do Mission Work. We have participated in many activities this year. The Brotherhood from the Seaboard Baptist Church assisted with the building of a church at Topsail Beach. There was a group of men from Winton

Baptist Church that went to Cary to receive training on the Disaster Relief Van. We are in hopes that during this next year, we will have enough men receive that kind of training to be able to complete an entire team; so that we could secure the Van if the occasion ever arises.

In May, I attended the Key Leadership meeting at Ridgecrest. It was during this time that I learned of the many changes that would be taking place with the Brotherhood and R.A. Departments. We have planned to make 1987-88 a challenging year for these men and boys. There will be a Brotherhood and RA Leadership training meeting during the month of October. At that time each church with Brotherhood and RA's will become informed as to the changes in literature and also organizational structure. One of our goals for the new year will be to get ourselves better organized within the Association so that we can work together on some of our Mission Projects.

This year we are on the way to bigger and better things in the service of our Lord. We invite you to be a part of that. Remember, strong Brotherhoods build strong Churches.

In Christ Service,
Rev. Dave Holladay

Music Report

This has been an active year in the Music Department of the West Chowan Baptist Association. Directors or representatives of the sixty churches received cards and telephone calls about the Spring Meeting in April and the Music Conferences in September. Assistance was given to directors who asked for materials.

A Seminary Extension course on the fundamentals of music was taught to students from the different churches by Mrs. Mary Rose Lawrence. She directed the music for the Spring meeting also. Your music director correlated gospel songs and hymns with choral readings which were used in a ten minute presentation for that time during the evening session. Music was arranged for the Fall Meeting and Spring Meeting. Music emphasis was given at the Leadership Conference in August.

Members of the churches in St. Johns, Holly Grove and Conway were hosts for the Music Leadership Conferences. Thirty-six (36) directors, accompanists, pastors and representatives in 9 churches participated in information, inspiration and fellowship to prepare for 1987-88.

Church letter reports were discussed; materials from the State and Southern Baptist Convention Music Departments were provided and discussed. Handouts were given for use by the churches for different services along with other items of information and suggestions for the Music Ministry. Those included regulations of copyright laws that were discussed, the World Missions Conference and the Week of Prayer for Foreign Missions plus the Lottie Moon Christmas Offering. We talked about how music participation could help; spiritual, mental and physical strengths were explained by using the basic time elements with everyone directing. A Christmas carol service was used in showing how hymnals could be used in planning services. Much was accomplished in 1½ hours including fellowship.

Your associational Music Director thanks the many persons from throughout the association who participated in the various aspects of the Music Program during 1986-87. You have been valuable in enhancing the worship services. Let me help you when there are needs. All of us are "Musicians on Missions That All May Hear."

Respectfully submitted,
Anna Belle Crouch
Associational Music Director
West Chowan Baptist Association

Seminary Extension

Southern Baptist seminaries have been offering off-campus theological training through the Seminary Extension Department of the Southern Baptist Convention for 36 years.

During the 1986-87 year, the West Chowan Seminary Extension Center was part of the network of more than 400 similar centers throughout the country.

During this church year the West Chowan Association's Seminary Extension Center offered three courses. A course in church music was taught by Mrs. William Lawrence. The Rev. Henry Powell taught a course in church growth and the Rev. Randolph Phillips taught a course in Christian ethics.

While Seminary Extension courses are designed for pastors and other ministers who have missed out on seminary training, many lay church leaders also have used the courses to strengthen their own ministries. Some 70 ministry-related courses are now available from the Seminary Extension Department of the Southern Baptist Convention. In addition to being offered through centers such as the one in the West Chowan Association, most of these courses also are available for correspondence study.

Stewardship Development Committee

A Retirement Planning/Stewardship Conference and Dinner was held on June 4, 1987, at the First Baptist Church in Ahoskie. It was well attended by a good number of laymen and pastors. Talmage Williams from the Stewardship Division of the Baptist State Convention challenged our people on the subject of "Money Management." Larry McClure, our area missionary, explained the New Expanded Annuity Plan and urged the churches to consider entering their staff persons before January 1, 1988.

The committee also met and prepared the budget for the new church year 1987-88. It has already been approved by the Associational Council and the Executive Promotion Committee. The new budget reflects about a 7% increase over last year. Utilities, insurance and upkeep on associational owned property accounts for a great part of it.

All churches are asked to increase their giving to Associational Missions. Our Lord left us the responsibility of beginning at home and reaching out to the uttermost part of the earth.

Pray that we will do what God has commanded us to do in the new church year.

Mr. Robert B. Spivey, Chairman
Stewardship Development Committee

Missions Development

The Associational Missions Committee is no more. Our new name is Missions Development Committee. As you look at the tasks of this committee, you will see why the name has been changed. It is the task of this committee to work with individual churches as mission needs are identified as well as identify associational mission needs. I hope that each church will elect a Missions Outreach Director so we can be aware of the mission needs throughout the Association.

TASKS OF MISSIONS DEVELOPMENT

Task No. 1: Identify missions needs, opportunities and resources (systematically gather, analyze and distribute information).

Task No. 2: Develop strategies to respond to unmet missions needs (those not being addressed by other church programs).

Task No. 3: Establish new churches (an ongoing group of believers).

Task No. 4: Support the establishing and strengthening of WMU and Brotherhood organizations.

CHARACTERISTICS OF COMPETENT MISSIONS DEVELOPMENT LEADERS

Missionary vision—contagious missions zeal

Concern for people

Ability to gather facts and analyze data about needs

community Ability to work with people—relate well to others

Leadership skills—ability to make decisions, stimulate people to action, and build a supportive atmosphere.

Rev. James Hester, Chairman
Missions Development Committee

Evangelism

Since being asked to serve as Evangelism Committee Chairman, much thought and considerable effort has been put forth in preparation for events being planned for the next few years in the area of evangelism. Last spring, my wife and I attended the Spiritual Preparation Retreat at Caraway. In May, I was among the group that attended the Key Leadership Conference at Ridgecrest, and subsequently, participated in our Associational Key Leadership Conference at Creech Memorial Church. A few weeks ago, a meeting of the Association Evangelism Committee was called for the purpose of planning a course of action for the next few years. I was involved in the planning of our associational calendar for 1987-88. In September, James Buchanan and I attended a Lay Evangelism Teacher Certification School at Ridgecrest. It is my hope that plans laid can be implemented to further strengthen the work of evangelism in our association.

Plans for 1988 include a number of events. An Evangelism Rally is being planned for February 20, 1988. More details will be forthcoming. An Associational Spiritual Preparation Retreat is being planned for April 15-16, 1988. Too, following up on the Lay Evangelism Teacher Certification Workshop, we hope to schedule a Lay Evangelism School sometime within the 1988 calendar year. All of this is being geared toward The Year of the Laity, 1988-89.

In addition to our associational schedule, there are numerous events being planned by the State Evangelism Department. The Evangelism Conference, Greensboro, February 8-9, 1988; the North Carolina Evangelism Workshop at Caswell, May 6-7, 1988 (for pastors and laity); and many training opportunities which you will find in the Associational Calendar, provide many opportunities for strengthening the work of evangelism in our churches and association. If you do not receive a calendar, your pastor and some other staff members or officers will be able to help you.

On the local church level, most of our churches have conducted at least one revival, and some have engaged in other training events. This will be borne out in

the digest of church letters and/or the fuller report of each church as recorded in the associational minutes. We commend those churches as recored in the associational minutes. We commend those churches which have conducted the most extensive programs in the area of evangelism, and have reached the most people for Jesus Christ and His Kingdom.

Just a word about 1990. The next simultaneous revival is being planned for 1990. Pastors and churches are being asked to begin plans as soon as possible. The dates for our area are March 18-25, and the theme will be, "Here's Hope: Jesus Cares for You." Those who begin right away will be the most likely to secure the evangelists and musicians they desire.

If I can be of help to you, or if any member of the Evangelism Committee can be of help, we will do what we can to help.

Evangelism Committee Chairman
Windell R. Patterson

Article 26. *Baptist Faith and Message* Statement.

I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture or error, for its matter. It reveals the principles by which God judges us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ.

II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ, he was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself the demands and necessities of human nature and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His death on the cross, He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, partaking of the nature of God and of man, and in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God. He inspired holy men of old to write the Scriptures. Through illumination, He enables men to understand truth. He exalts Christ. He convicts of sin, of righteousness and of judgment. He calls men to the Saviour, and effects regeneration. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the assurance of God to bring the believer into the fulness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. MAN

Man was created by the special act of God, in His own image, and is the crowning work of His creation. In the beginning, man was innocent of sin and was endowed by His Creator with freedom of choice. By his free choice, man sinned against God and brought sin into the human race. Through the temptation of Satan, man transgressed the command of God and fell from his original innocence; whereby his posterity inherit a nature and an environment inclined toward sin, and as soon as they are capable of moral action become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every man possesses dignity and is worthy of respect and Christian love.

IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense, salvation includes regeneration, sanctification, and glorification.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures of Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

B. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

C. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God, according to which He regenerates, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall preserve to the end. Believers may fall into sin and through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the cause of Christ, and temporal judgments on themselves, yet they shall be kept by the power of God through faith unto salvation.

VI. THE CHURCH

A New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation, members are equally responsible. Its Scriptural officers are pastors and deacons.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages.

VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, work of necessity and mercy only being excepted.

IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. LAST THINGS

God, in His own time and in His own way, will bring the world its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ.

XII. EDUCATION

The cause of education in the Kingdom of Christ is to coordinate with the causes of missions and general benevolence, and should receive along with these, the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people.

In Christian education, there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the preeminence of Jesus Christ, by the authoritative nature of the Scripture, and by the distinct purpose for which the school exists.

XIII. STEWARDSHIP

God is the source of all blessings, temporal and spiritual; all that we have and are, we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under the obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. THE CHRISTIAN AND THE SOCIAL ORDER

Every Christian is under obligation to seek to make the will of Christ supreme in his own life and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Christ Jesus. The Christian should oppose in the spirit of Christ every form of greed, selfishness, and vice. He should work to provide for the orphaned, the needy, the aged, the helpless, and the sick. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends, Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

XVI. PEACE AND WAR

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ, they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love.

XVII. RELIGIOUS LIBERTY

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom, no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

Winton Baptist Church

1873-1987

"God willing and the creek don't rise" is a phrase we have heard all our lives. According to tradition handed down for four generations in the Winton Baptist Church, the rising and slow falling of the Potecasi Creek over a hundred years ago was one of the factors that spurred Baptists living in Winton, and others south and east of the creek who were members of Mt. Tabor Church, to part from the worthy parent in 1873 to organize the Winton Baptist Church. A subscription list dated 1874 lists 22 male members of the new church and indicates that the pastor was paid $116.25 for the year. Elder John Mitchell was that first pastor, and he served for two years. He was succeeded by Elder Thomas G. Wood who served the church for twelve years.

The lot now known as the "Old Church Lot" was deeded on July 7, 1873, by John W. Faison and his wife, Rosalena, to the Winton Baptist Church. The trustees were John A. Vann, Adolphus Godwin, Luke McGlauhon and Cherry Dunning. The last known written record for the 1870's is a list of 38 male members dated 1875. We do not know when the church building was constructed.

On July 27, 1883, a meeting was held at this church to organize the West Chowan Baptist Association, within the bounds of the Bertie Union Meeting, and parting from the parent Chowan Association. Brother W.M. Mitchell was called to chair the meeting and Brother W.C. Parker was elected clerk. An appointed committee recommended that the first meeting be held in Windsor at Cashie Baptsit Church on Tuesday after the second Sunday in October 1883.

Winton Baptist Church was one of the first in the Association to break with the old custom of worship services only once a month; services twice a month became customary.

In 1895 there was a division in the Winton Baptist Church. The Chowan Baptist Church was organized with 47 members, and it was received into the West Chowan Baptist Association in October of the same year. The first pastor of this new church was the Rev. Samuel Sanders.

The Chowan Baptist Church building was built in 1901 or 1902. William Jordan and his wife, Ella; A.I Parker and his wife, Martha; for $200.00, deeded on November 16, 1901, the Jordan and Parker old store lot to the church trustees, Thomas Deane Boone, Henry B. Vann, J.H. Matthews and George A. Brown. The deed indicates the church already stood on the lot in company with part of the old Anderson graveyard.

The first parsonage owned by the Chowan Baptist Church was purchased in 1905 for $1,000.00 from Samuel Reed and his wife, Emma.

The Winton Baptist Church and the Chowan Baptist Church met in a joint assembly at the former church building on January 29, 1917, for the purpose of uniting the two churches. After proper action, the decision was made that the united churches should be known as the Winton Baptist Church and that worship services would be held in the Chowan Baptist Church building. Brother S.N. Watson was called as pastor to a combined membership of 273 souls.

The old Winton Church building was sold in 1924 to E.L. Jenkins and Son for $275.00.

The first deaconesses were elcected in the Winton Church on January 21, 1923; they were Mrs. W.D. Boone, Mrs. W.R. Daniel, Mrs. J.S. Mitchell and Mrs. H.H. Jones.

Since 1902, the building has been greatly improved with the addition of classrooms, and restrooms; a new parsonage was built in 1956. In 1972 and 1973 more classrooms, a vestibule and porch were added, and the auditorium redecorated, refurnished and carpeted.

The Baptistry was installed in 1975.

In October 1976, Steven Wall and in May 1977, Henry C. Francis were ordained by the church.

The adjoining property next door to the church was purchased from the Northcott heirs in 1977 to serve as Sunday School classrooms and as a Fellowship House. Vinyl siding was added in the early part of 1983.

In April 1980 a concrete slab was poured and fenced in behind the church for a basketball and volleyball court.

During the summer of 1982 seven members went out to a mission field in West Virginia to assist in building a church parsonage.

Over the period of 1981-1983 renovation of the church took place with the addition of pews in the classrooms, new carpet and new light fixtures. A sound reinforcement system was added to the sanctuary with a recording and duplicating machine to be used for an outreach ministry.

The parsonage was remodeled in 1984 with an addition of two rooms and a bath at a cost of aproximately $30,000.00. Air conditioning was added to the classrooms at the back of the church.

In the summer of 1984 and 1985, the church had five members to go to Fort Caswell to help in renovating the buildings.

We had one member to go to England in 1985 to help with building a church.

Also in 1985, the church purchased a 15-passenger van. This is used every Sunday to pick up members who are unable to attend church otherwise, along with serving as transportation for various other church activities that involve travel.

September 20, 1987 brought Winton Baptist Church its first Homecoming. . . .

ELAM BAPTIST CHURCH

ELMER LEE JOYNER, PASTOR

History of Elam Baptist Church

Celebrating 200th Anniversary

The first record of Elam Baptist Church is 1788, when Joseph and Tibathia Vassor deeded land at Gumberry, North Carolina on August 29, 1788, to a group of people who probably moved here from southern Virginia and called themselves Baptists. The first church, known as Vassor Meeting House, was a log cabin named for the family who deeded the land.

In 1854, Vassor Meeting House moved to a new location two miles west of Gumberry to a tract of land sold by Henry Grizzard to the trustees of Vassor's Baptist Church: R.W. Taylor, J. Barham, W. Stephenson, W.J. Kee, and J.R. Kee. This deed was signed September 22, 1856. At some time between 1856 and 1879 the name was changed from Vassor's Baptist Church to Elam Baptist Church.

On December 3, 1887, two acres of land adjoining Elam Church were deeded to B.E. Stephenson, William T. Kee, Jasper H. Crocker, Thomas J. Taylor, R.Y. Wheeler, and Alex Stephenson, trustees of Elam Baptist Church by James Vassor to belong to the church as long as it was used for church purposes.

A new Elam Church was built in 1919 and remodeled in 1948 with classrooms and a kitchen added. On Christmas Day 1949, a fire completely destroyed the church building and its furnishings. Only the church name sign hanging over the foyer doorway, the two chairs on each side of the communion table and the two pews in the choir were salvaged. The church members were without a building for a year.

The fourth deed of Elam Church was signed on February 14, 1950, when an acre of land was purchased from Andrew and Shirley W. Taylor for $400.00. This site upon which our present building stands was near the location of the Vassor Meeting House. This building was begun April 16, 1950, and dedicated May 16, 1954.

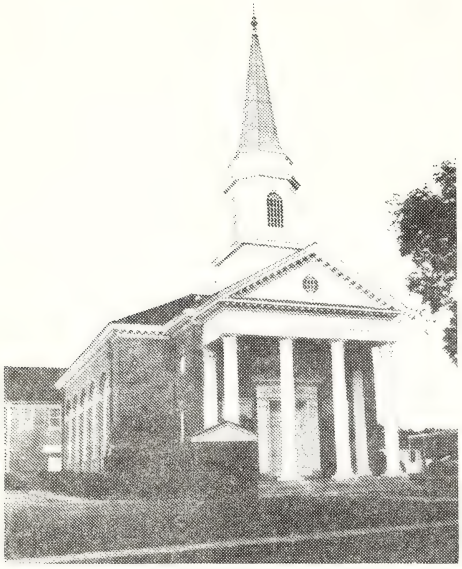
Elam built its first parsonage in 1959 and went full time in 1978.

A Baldwin organ was dedicated in 1983 in memory of Williard and Katie Little.

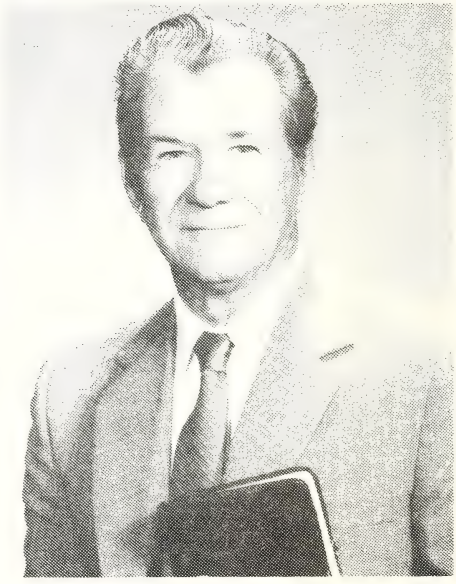
In the spring of 1983, the steeple was given to the church in memory of Ellen Miles Dickens by her family.

A sound system, amplifying the worship service for the hearing impaired and to the nursery was presented to the church in 1987 in memory of W.B. Williams by his family.

Our church is in the midst of celebrating our 200th anniversary. We have had several former pastors back this year and we will bring our celebration to a close on October 23, 1988, when we have a cornerstone opening ceremony.



SEABOARD BAPTIST CHURCH



REV. JOHN SPENCER, PASTOR

History of Seaboard Baptist Church

Seaboard Baptist Church was organized on Sunday, March 31, 1889. A series of meetings had been held the week before the organizational effort. There were 49 charter members from surrounding churches that met in the home of Mrs. R.M. Maddrey to establish a Baptist Church in Seaboard. A Covenant and Articles of Faith were adopted, expressing beliefs, purposes, and spiritual foundation and challenge.

The first pastor was Rev. Thomas G. Wood. The first body of Deacons, who also served as Trustees, was chosen in April 1889. The challenge for them was to secure a site for a building.

In June of 1889 the church was admitted to the Bertie Union and in August of that same year it was admitted into the West Chowan Association. From its earliest days, a Sunday School has been part of Seaboard Church. The early challenge of the charter members was to instruct its people with the word of God.

Another of the early organizations formed was the Ladies Aid Society in 1890 which later became known as the Women's Missionary Society. Their work has been extremely beneficial for the church over the years.

The original building was constructed during the early 1890's and was replaced in 1918 by another wood frame structure. The present educational space was erected in 1949 and the sanctuary in 1952. The fellowship hall was added in 1977.

In September 1957, Seaboard Baptist Church voted to go full-time. Rev. Walter Moose was the first pastor after this decision was passed. Two of the church's members have gone into full-time Christian service. Rev. Paul Worrell was ordained in April 1928. He has served several churches in the state before retiring in Seaboard to do supply and interim work. Mr. Thomas Norvell was licensed in June 1958.

Seaboard Baptist Church has continued to grow and in 1987 a new sound system was installed in the sanctuary. New carpets and redecorating in the educational building was done also that year.

Over the years, Seaboard Baptist Church has endeavored to serve her Lord as strongly as possible. The church has a long history to which she looks proudly back; but looks even more proudly to the future to what the Lord will do through her in the days ahead. The charter members were challenged to "let their light shine," so echoes the call of us today: "Let your light shine for Christ."

Rev. John Spencer, the present pastor has served here since January 1986.

Dear Friends,

Greetings! on behalf of the nine hundred seventy-five (975) students, fifty-eight (58) faculty members, the several administrative officers, and numerous staff personnel who comprise the Chowan College community. As one of the institutions of Christian higher edcuation which is funded, in part, through the stewardship of Baptists and Baptist churches throughout North Carolina, we would join in prayer with the messengers assembled for the annual session of the West Chowan Baptist Association, to the end that yours may be a fruitful and productive meeting.

More particularly, we join in expressing heartfelt "Thanks!" for your continuing support of our educational mission through your support of Cooperative Program ministries. The most recent annual statistics (1987) indicate that the churches of the West Chowan Baptist Association contributed a total of $298,860 to Cooperative Missions. Given the formula of distribution then in use by the Baptist State Convention, this means that your churches contributed approximately $10,550 towards support of the educational program of Chowan College during that same year.

We make it a practice to express our appreciation to the Baptist State Convention, periodically, for that Cooperative Program support which comes our way. However, we have fewer occasions or opportunities to express similar appreciation to the churches who represent the initial source of mission support for all denominational ministries and benevolences.

As we continue our mission in higher education through the current academic year, we do so with the acute knowledge of our dependence upon Baptists and Baptist churches for that measure of financial support which continues to come our way through gifts to the Cooperative Program. Thanks! again, to all of you for what your churches have done--and continue to do--on our behalf.

Cordially and sincerely yours,
Bruce E. Whitaker
President

Executive Promotion Committee Report

The Executive Promotion Committee met four times during the Associational year. Each organization director and committee chairperson was given an opportunity to give a report and promote their work.

Mrs. Corene Harris was elected moderator and Rev. Joe McLean, vice-moderator.

Rev. Lonnie Armstrong, Director of Missions, reported that he was pleased with the results of the World Mission Conference. The mission partnership with Brazil was approved and a fund raising committee was appointed. The moderator presented slides from her trip to Brazil in several churches in the association.

The 1988-89 calendar was adopted.

The roof on the director of mission's home was replaced and two storm doors are to be installed.

The association is in deep appreciation to Mr. Thomas Hale for his generous gifts of a yard light for the director of mission's home and new vacuum cleaner for the office building.

The highlight of the year was the dedication and moving into the new Association Office building. The dedication service was held on May 22, 1988, dedicating the building to the Glory of God and for the advancement of the causes to which He has called and sent us.

Rev. Lemar Wheeler was given a high commendation for his help. He served as chairman of the building committee and without his help, the work of the committee would have been virtually impossible.

Perhaps the key plaque that is in the office building is the one recognizing the participation of all volunteers who had any part in planning and constructing the building.

Sunday School Report

The theme for the 1987-88 church year has been "Touch Lives, Change People." The Sunday School continues to promote "Challenge 10/90," which is the nationwide goal to enroll 10 million persons in Sunday School by the fall of 1990.

The major event for the association was a Sunday School Leadership Conference for all age levels, held at the Woodland Baptist Church on October 26 and 27, 1987. A total of 132 persons were enrolled with 28 churches represented. Conference leaders were:

Ann Cooper, Nashville, NC
Linda Lariscy, Oxford, NC
Charles Smith, Roxobel, NC
James Hagwood, Robersonville, NC
Herman Hicks, Ahoskie, NC
Michael Johnson, Ahoskie, NC

The following ASSISTeam members attended special state-wide training at Cary in February:

Linda Edwards, preschool
Carolyn Jennings, children
Adolph Harrell, adults
Herman Hicks, general officers

In May, the ASSISTeam director attended the Key Leadership Conference at Ridgecrest. Later in July, he led a special group for Sunday School leaders at the Associational Key Leadership Conference.

In a recent survey, made by the Baptist State Convention for the years of 1979-1987, the Sunday School showed a decrease of one percent state-wide. Baptisms were down by four percent. In comparison, all other areas showed an increase. The coastal area of the state had the most decline in Sunday School enrollment and baptisms. The facts present a real challenge for the future.

In Christ's Service,
Rev. Herman Hicks
Sunday School Director

Vacation Bible School Report

A full team of Vacation Bible School leaders attended the State training in February and later led two clinics in the association. The clinics were held on March 21 and 22 at the Aulander and Conway Churches. Total enrollment was 127, with 26 churches represented, 18 VBS directors, 11 pastors and 98 teachers and helpers.

Rev. Jim Harris
VBS Director

Church Training Report

The total Church Training enrollment for all churches in the West Chowan Association for last year was 1,124. Eleven churches reported an on-going Church Training program, while eleven others reported special short term programs.

For the year 1987-88, Church Training sponsored or participated in the following activities:

November 1987	"M" Night held at Meherrin Church.
April 1988	Associational Youth and Children's Bible drill tournaments at Winton.
May 1988	State Youth and Children's Bible Drill tournaments.
	Director attended Key Leadership Conference at Ridgecrest.
July 1988	Director participated in Associational Key Leadership Conference at Ahoskie First.

I am excited about the 1988-89 Church Training year. The theme for Church Training for 1988-89 is, "A Call To Baptist Basics." This theme comes from Bold Mission Thrust goal area, "Developing Believers, 1988-89." "M" Night which will be held at Creech Memorial, Monday, November 28, will be planned around this theme. Whether or not you have an on-going Church Training program, you will receive something special from "M" Night this year. I would encourage everyone to attend.

WMU Report

WMU started a great year with a Prayer Retreat at Ahoskie First with Miss Martha Franks, retired missionary to China for over 30 years, as our guest. She gave us many inspiring thoughts as we started our National Centennial Year. We all had an opportunity to study the history of WMU thru the book *A Century to Celebrate* that was taught several times during the year. There were two other book studies during the year, *The Biblical Basis of Missions* taught at Galatia by Mission Study and *Show and Tell,* a book on Mission Action, taught by BYW.

As the year passed, we had many opportunities that were exciting for our association. We participated in the Foreign Mission Board Appointment Service in Greensboro, our

own Association Building Dedication in May and our National WMU Centennial Celebration in Richmond. We had about 15 from our association to attend this wonderful, once in a life-time, event.

We had two big Mission Action events for the association last year. Odom Prison boxes were prepared for about 600 and we helped sponsor a Christmas Party for the blind. You were so generous to support these projects in such a loving manner.

Each age-level organization from Mission Friends to Baptist Women was busy during the year. They held a Fair for Mission Friends Leaders, Girls in Action retreat at Creeksville, Acteens Foreign and Home Missions Studies, BYW book study, YBW Presidents Birthday Party and many more. They held banquets for GA/Pastor/Father/Daughters at Chowan College, Acteens/Parent/Pastor Appreciation Banquet at Ahoskie First, BYW Banquet at Askewville and "Sea the World" Banquet for YBW and A Final Banquet to Celebrate their years of service. This was the last year for YBW's and we are proud of their work. Prayer Retreats were held by BYW's and Baptist Women. GA Mother/Daughter Camp at Chowan College was enjoyed by all and they held the GA Christmas in August celebration.

The 1988 Annual Meeting was held at Colerain Baptist Church. We had good attendance for both sessions. The guest speaker for the afternoon session was Mrs. Audrey Gordon, retired missionary from the Philippines. She has visited in our association several times. We supported Mrs. Gordon while she was a missionary. In the evening session, we had Nona Day Biggerstaff, missionary serving in New York. This was a very inspiring meeting.

1987-88 has been a good year. God has called each one of us to our jobs. Let us give our lives to his service and to Glorify his name, as we start another year of work. Thank you all for your love and support to the WMU during this year.

Ms. Julia O. Hughes
WMU Director

Brotherhood Report

I am happy to report that this has been an encouraging year for Brotherhood in the West Chowan Association. We are beginning to grow in our efforts to Mission Work. We have participated in many activities this year. There were several mission projects done by our churches this year. We hope this will be an even more prosperous year in the work of Missions. There was an Annual Training session at Meherrin Baptist Church in October 1987 for the Brotherhood and RA Leaders. A RA Track Meet was held in May 1988 at the Ahoskie High School.

In May, I attended the Key Leadership meeting at Ridgecrest. It was during this time that I learned of many changes that were taking place with the Brotherhood and RA Departments. For the Brotherhood a cassette tape will be available every other month to keep us informed as to what the Baptists are doing in mission work. I believe that this will be very helpful. One of our goals will be to become more involved in mission work. Also, for the new year we need to get ourselves better organized within the Association so that we can work together on some of our Mission Projects.

We have faith and believe that God wants to use us in bigger and better things for this coming new year. We invite you to be a part of that. Let us continue to be stronger, for stronger Brotherhoods build strong churches.

In His Service,
Rev. Ray Craig
Association Brotherhood Director

Music Report

Another rewarding church year has drawn to a close for the musicians of WCBA. There is always a need for greater, continued commitment as we serve the Lord with singing and instrumental music.

The events of this year were emphasized with leadership training and activities for all age groups. Eleven churches participated in Key Leadership training, 13 churches were represented at the Foreign Mission Board Appointment Service in Greensboro. Music directors or representatives of the 60 churches were contacted by telephone and mailings involving local, association, state, and SBC emphasis. All phases of the music ministry were stressed. We were also represented at the Regional Music, Methods and Materials conference in Greenville with two attending.

Our first WCBA Children's Music Day Camp was held at the Ahoskie First Church, July 11-15. Musical director, Don Gober, was assisted by his wife,Regina, musical coordinator. Rev. Lonnie Armstrong served as camp pastor and Anna Belle Crouch, associational Music Director and Cornelia Singletary, rehearsal accompanist. These were assisted by eight outstanding volunteer leaders from various churches and 25 youth from the host church. One hundred fifteen children between grades one and six came from 16 churches. It was a thrilling, exciting, inspirational week for all participants. The camp offering to begin a fund for a new piano in the associational office was $513.35. The next camp is scheduled for July 10-14, 1989.

Another innovation for the music ministry of WCBA is in having *zone directors.* These three persons will assist the associational music director in getting more information to those who are in churches close to them. Amy Hoggard, Pam Cox, and Thomas Ruffin have volunteered their services.

Music literature and handouts have been placed in the associational office in the Media Room for churches to take advantage of. These inlcude materials for educating choir members, music worship, and Christmas services. Future plans are to have sample cantatas and anthems for directors to look through for receiving assistance.

Your music director has been a part of sharing ideas for special music, leading the music at the quarterly Executive Promotion committee meetings, assisting in the two VBS clinics, leading singing at the WCBA fall and spring meetings, singing with the choir at the state Key Leadership conference as well as participating in the workshop at Ridgecrest.

Thank you for the opportunity to be of service to you and our loving Heavenly Father. We can look forward to having another good year. Call on me! I'll do my best to help you! What are your needs?

Stewardship Development Committee Report

On May 31, a Stewardship Development Dinner Meeting was held in the new office conference room. Rev. Ken Batts, from the Stewardship Division of the Baptist State Convention, challenged those present on the values and life-styles that honor the Lord through stewardship commitment.

The committee met in September, to prepare a budget for the new church year 1988-89. It has already been approved by the Associational Council and the Executive Promotion Committee. Final action will be taken in the annual Association meeting.

The new budget reflects approximately five percent over last year's budget. We are asking the churches to increase their giving to the Association by one percent of the undesignated collection plate dollars in 1989. This is a necessity, if we meet our budget and other obligations already made.

Robert B. Spivey, Chairman

Missions Development Committee Report

The Missions Development Committee has been involved in Foreign Missions this year. With the $1,000.00 that was allotted to us in the budget we have given $200.00 to Rev. Phillip Knott, pastor of Merry Hill Baptist Church. This is to be used for expenses in a Preaching Mission in Antigua. We have also given $200.00 to Rev. Tim Goins, pastor of Christian Harbor Baptist Church, to be used in a Preaching Mission to Trinidad. We have given $600.00 to Miss Sue Todd, lay member of Ross Baptist Church. She will be teaching for one year in China. This depleted our budgeted amount and we feel that it has been worthwhile. All the churches who gave to Association Missions this year have been or will be a part of evangelistic efforts in these three areas.160

To God be the Glory!
James Hester, Chairman

Evangelism

During the past year, the input of the Evangelism Committee was valuable in planning evangelism emphases in the West Chowan Association. The Evangelism Rally in February was held at Chowan College with approximately 150 people in attendance. Efforts, however, to plan and conduct a Spiritual Preparation Retreat, were unsuccessful. The latter was to have been part of the preparation for The Year of the Laity in Evangelism and Discipleship.

We now turn our attention to future events. A Lay Evangelism School for Pastors and Key Leaders is being planned for November 1-5 (Tuesday - Saturday, 7:00 - 9:00 p.m.), 1988. The school will be conducted in the association office building. Should registration exceed the capacity of the building, we will move to a church facility. The teacher will be the Reverend Harold Green, pastor of Arlington Street Baptist Church, Greenville, North Carolina. In conjunction with, or following shortly thereafter, Teacher Certification Training will be made available to Pastors and Lay Leaders, so they may in turn conduct Lay Evangelism Schools in their Church (es).

The major event being promoted in the area of evangelism, over the next two years, is the 1990 Simultaneous Revivals. Associations will begin their preparation with an Associational Steering Committee Meeting, led by someone provided by the State Evangelism Department, in January or February 1989. Subsquently, there will be a number of events scheduled in preparation for the revivals. The theme is, "Here's Hope, Jesus Cares for You," and the date for our area of the state is March 18-25, 1990.

Churches are encouraged to vote early to participate, and to start making their plans for their revival. There will be several events conducted in the association to aid church leaders in preparing for their revivals. These will be great opportunities for us to pray, plan, and work together as we commit ourselves to the most urgent task before us, namely, the winning of people and discipling them for Jesus Christ and His Kingdom.

Building and Grounds Committee Report

Your Home and Grounds Committee has been hard at work through the association year of 1987-88. We have met and decided that there were some very primary needs and some not quite so primary that needed to be taken care of in regards to our buildings and grounds. In this meeting, we outlined the work needed to be done at the association office and the Director of Missions' home.

Director of Missions' home:

1. Cut limbs from trees in front yard
2. Replace sewage line to road
3. Cut trees roots in yard
4. New roof on Director of Missions' home
5. Caulk front porch to home and paint
6. Remove two front outside louvered wood doors and replace with storm doors
7. Move screening fence back about 100 feet, move shrubs and extend driveway
8. Put small utility building in backyard for storage
9. Insulate attic walls and underneath floor
10. Repair and/or replace dripping faucets

Associational office:

1. Cleaning of office
2. Mowing of grass and trimming shrubs
3. Paving of parking area and driveways

Repairs and work already completed

A work day was planned for the association on July 9, 1988. The work was held as scheduled with about eight or ten people responding to the call. Some of the work and repairs needed were accomplished on that day and others have been completed since then. However, there is still much work to be done.

Other important things to be done are:

1. Director of Missions' home needs insulating, windows, walls attic and underneath the floor.
2. A utility building is desperately needed for storage.
3. The parking area and driveways to the association office need paving.

Realizing we still owe money on the heat/air conditioner units installed last year in the Director of Missions' home, the home and grounds committee is recommending to the association that our Stewardship Development Committee be instructed to authorize some fund raising programs so money might be made available to take care of these three important items:

1. Insulate Director of Missions' home
2. Secure or build a utility building
3. Pave parking area and driveways to association office

Article 26. *Baptist Faith and Message* Statement.

I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture or error, for its matter. It reveals the principles by which God judges us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ.

II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ, he was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself the demands and necessities of human nature and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His death on the cross, He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, partaking of the nature of God and of man, and in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God. He inspired holy men of old to write the Scriptures. Through illumination, He enables men to understand truth. He exalts Christ. He convicts of sin, of righteousness and of judgment. He calls men to the Saviour, and effects regeneration. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the assurance of God to bring the believer into the fulness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. MAN

Man was created by the special act of God, in His own image, and is the crowning work of His creation. In the beginning, man was innocent of sin and was endowed by His Creator with freedom of choice. By his free choice, man sinned against God and brought sin into the human race. Through the temptation of Satan, man transgressed the command of God and fell from his original innocence; whereby his posterity inherit a nature and an environment inclined toward sin, and as soon as they are capable of moral action become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every man possesses dignity and is worthy of respect and Christian love.

IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense, salvation includes regeneration, sanctification, and glorification.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures of Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

B. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

C. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God, according to which He regenerates, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall preserve to the end. Believers may fall into sin and through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the cause of Christ, and temporal judgments on themselves, yet they shall be kept by the power of God through faith unto salvation.

VI. THE CHURCH

A New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation, members are equally responsible. Its Scriptural officers are pastors and deacons.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages.

VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, work of necessity and mercy only being excepted.

IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. LAST THINGS

God, in His own time and in His own way, will bring the world its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ.

XII. EDUCATION

The cause of education in the Kingdom of Christ is to coordinate with the causes of missions and general benevolence, and should receive along with these, the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people.

In Christian education, there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the preeminence of Jesus Christ, by the authoritative nature of the Scripture, and by the distinct purpose for which the school exists.

XIII. STEWARDSHIP

God is the source of all blessings, temporal and spiritual; all that we have and are, we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under the obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. THE CHRISTIAN AND THE SOCIAL ORDER

Every Christian is under obligation to seek to make the will of Christ supreme in his own life and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Christ Jesus. The Christian should oppose in the spirit of Christ every form of greed, selfishness, and vice. He should work to provide for the orphaned, the needy, the aged, the helpless, and the sick. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends, Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

XVI. PEACE AND WAR

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ, they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love.

XVII. RELIGIOUS LIBERTY

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom, no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

Armstrong also said that in conjunction with the Emphasis Week that there will also be a Pastors' Appreciation Week, beginning on May 21. He encouraged all churches to be a part in this and do something in showing how much they love their pastors other then just saying it while walking out the door on Sunday morning.

24. Rev. James Lambert, Administrative Associate for minister support, Baptist State Convention, was introduced by Rev. Lonnie Armstrong.

25. Special music was presented by the Sounds of Love Trio and the Elm Grove Church Choir.

26. Rev. James Lambert brought the evening message. His text was taken from first Corinthians 3:8-9, speaking on the pastor-church relationship. He said, "We need to be kind to one another, tender hearted and forgiving to one another." There are too many ministers terminated every month. One of the causes of this is the lack of communication between the pastor and the church. A pastor should know what is going on and be able to have the freedom to say what God wants him to say in the pulpit. Incompatibility and immorality were probably the two main reasons. We need to remember whose church it really is. It is not the pastors, it is not the laypersons, it belongs to the Lord Christ. If it is not his, it is not worth doing in the first place. We are laborers together in church.

27. Rev. Bob Rogers, pastor of Rich Square Baptist Church gave the preacher and place report for the fall meeting, October 17 at Colerain. Rev. Freddie Harris of Askewville Baptist Church was speaker. On October 18 at Connaritsa Baptist Church, Rev. Ken Bunch, and Rev. John Oliver alternate.

28. The congregation sang the hymn "Breathe On Me" and the 4th Annual Spring Meeting was adjourned with a prayer for those going to Brazil in May.

ROSS BAPTIST CHURCH

History of Ross Baptist Church

Ross Baptist Church, founded in 1804, and named after Martin Ross, is the seventh oldest Baptist church in Bertie County. Although established in 1804, the church, through neglect and forgetfulness, was not dedicated until May 1935. It is known as the "Old Mother Church" of many newly organized churches, such as Askewville, Elm Grove, Bethany, and Green's Cross.

The first meeting place for the congregation of Ross Baptist Church was beside an old oak stump at Cucklemaker Bridge, one-half mile east of the present building. People were baptized in the waters at Cucklemaker and came from many miles around. Baptisms were usually held in Cucklemaker Swamp, usually the Sunday after a series of "protracted meetings." The pastor would announce the time and place on Saturday and the people would assemble there on Sunday. On such occasions great numbers of people were baptized. The greatest number on record is 74.

Martin Ross, the founder of our church, was of Scottish descent and lived in Williamston, North Carolina. He was born in 1762 and died in 1827. He and his wife were buried side by side at Bethel Baptist Church, near Edenton, North Carolina, which he founded in 1806. The churches Martin Ross organized were not in the West Chowan Association but in the Kehukee Association, which was the first body of the kind in the United States to take official action in behalf of missions to the heathen and to formulate permanent plans for the support of the enterprise.

Ross did not have revivals as we do now, twice a year. They had only one a year and they were called "protracted meetings." Some of the meetings of the church held in its younger days began in the afternoon and ran into the night. The people brought their

suppers with them. People were very regular in attendance even though some had to walk, ride horse and carts, and even steers, for many miles. They had to have written excuses for being absent and after so many absences, they were dismissed from the church roll, if the absences were not excused.

Around 1882 preaching was only one Sunday a month and that was every fourth Sunday. They also had all day meetings on Saturday and again the women made lunches for the family to eat at noon. The first thing that was done at the Saturday meetings was the roll call, for men only. The women did not have a roll call. The people had spittoons all along the aisles to spit in.

Through the years many renovations have taken place at Ross Baptist Church such as new windows, new doors, new plaster, new pews, new carpet, a baptistry, a steeple and educational building to mention a few. In 1970 it was decided to brick veneer the church building instead of having to repaint every 10 or 12 years. The church still has a few articles used by our forefathers. Among them is a Baptist Psalmody, a book containing some 1,300 songs, which dates back to 1850. We also have an old pulpit Bible printed in 1833 and finally an old Communion Service consisting of two metal goblets and a metal wine pitcher made in New York.

In the early years members were assessed as to how much money they should give to certain causes such as the pastor's salary, then $200.00 a year, missions, minute fund and other church expenses. This was assessed by the deacons of the church. Therefore, each member knew how much he was to give throughout the year and failure to fulfill this obligation could produce serious consequences.

The membership of Ross has varied greatly over the years. The records date back to 1884 and membership reached its peak in 1911 when there were 842 on roll. Our present membership, resident and non-resident, is 262 and we have 147 enrolled in Sunday School with an average attendance of 110.

Brief History of Colerain Baptist Church

By: Shelby L. Stephens

The first church built by Colerain people was erected in 1757 and bore the name of Wiccacon Baptist Church. It was located about four miles northwest of Colerain.

The Wiccacon Church was a branch of Cashie Baptist Church for a period of time. Both churches were established by Elder Jeremiah Dargan. However, the date 1789, (which has been used often as beginning of Colerain) is the date that it is believed for Cashie to have stopped shepherding the work. But the date, 1780, on the entrance of this main building is used as the beginning of the Colerain Baptist Church.

It was on May 10, 1825, that Josiah Holly deeded a parcel of land (two acres), in the trust for "the Baptist Church of Jesus Christ, called Wiccacon" located just outside of town on the track of land which now belongs to the First Baptist Church, a black congregation who was deeded the property in 1891. It was also there that additional land was purchased on September 8, 1848, from Joseph Etheridge and Zack Ellyson, who deeded 2 1/4 acres of land for $22.50 to the "Colerain Church." It is believed that a new house of worship was built on this piece of property and a dedication service was held in 1849. Rev. Abram Jones, of Edenton, preached the dedicatory sermon.

It was on February 22, 1884, that E.E. Etheridge and wife deeded to the "Deacons of Coleraine Baptist Church" the tract of land at the present site for $50.00. A house of worship was built and dedicated in 1892. Elder C.W. Scarborough preached the sermon.

The present building began with the cornerstone laying, Friday, July 24, 1908. The Odd Fellows of Colerain Lodge presented and laid this cornerstone. Placed in the cornerstone were the church covenant, adopted in 1822, rules of decorum, adopted in 1847, names of male and female members, officers of church and Sunday School, a copy of the *Biblical Recorder* and *Charity and Children.* On the Third Lord's Day in June 1911, the new church at Colerain was dedicated to the Lord. The sermon on this occasion was preached by Elder M.P. Davis, a former pastor, through whose leadership the house was planned and built.

In 1925, the church invited Mr. E.L. Middleton of the Sunday School Department of the Baptist State Convention of North Carolina, to draw up plans for a modern up-to-date Sunday School plant. The proposals were accepted and the plant was built by the end of the year. This was the first modern Sunday School building to be built in the West Chowan Baptist Association.

Under the leadership of Rev. D.E. Bobbitt, the church became a full-time field of service. However, he was here only a short time thereafter and then began a new work.

Under the leadership of Rev. P.T. Worrell, the church moved into the area of expansion of its buildings and full time pastoral leadership among the congregation.

The lot on which the parsonage stands today was given by E.T. Forehand, Sr. on the 17th day of January, 1946, as a memorial in memory of his deceased daughter, Lillie O. Forehand. In 1948, a modern home to house the pastor was built across the street in front of the church. A dedication service was held in February 1951. At the Candlelight Litany, Dot Belch, daughter of Mr. and Mrs. Arlie T. Belch, lighted the candle, because her father who passed away in 1945 was the real Candlelighter. It was he who called together nine Baptist laymen and discussed with them the need for a new Church Parsonage.

On October 1, 1956, the church expanded the facilities with an educational building having several departments, a fellowship hall and kitchen. The building was completed on July 13, 1957.

Rev. Trenton Bruce began his work on January 29, 1961, and closed on October 28, 1962. Although his tenure was brief, yet his impact on the people was most definitive. He saw that the church had a strong leadership among the WMU and it could be so with the men. . . and set out and challenged the men to build a strong program of leadership through what we call the Brotherhood. And thus, it was so.

In 1963, Rev. Bennie Pledger began his work among the people at Colerain Baptist Church. Upon his arrival, an office space and pastor's study was made available in the educational building.

Since Easter of 1964, the congregation has enjoyed a great Easter Sunrise Service at Colerain Beach. Other churches at times have participated in this program.

The music program prior to 1961 was capably led by Cora Felton Bass as Organist-Director. She served in this area of leadership from 1945 to 1961. Others who have served in this area are: Elaine Evans - 1961, Norman Coggins - March 1964 to May 1966, Robert G. Mulder, Jr. - June 1966 to December 1977. Elizabeth Craft has been with us as Organist-Director since 1980.

The years have come and gone and with them additional changes taking place. The highlights of other years can only be mentioned with a brief statement about them.

1967 - extensive renovation of the sanctuary.

1968 - the church purchased the Lawrence property (adjoining on North) and it was developed into a parking lot and two tennis courts. The tennis court being a youth project.

1970s - reflected the Challenge 75 Program of the church's involvement of members in attendance, giving and personal growth.

1981 - Colerain Baptist Church had its first Chrismon Tree in December and continues with that tradition.

1984 - Shelby L. Stephens began his work as pastor. . . January 1, 1984.

1984 - the church purchased the Askew (Retha A. Mizelle's) Property (adjoining on South) and using it as a parking lot.

1985 - the building of the garage to house the church van and equipment. This was a Brotherhood project.

1985 - The West Virginia Mission Project with Jim and Becky Edwards, Nikki Edwards, Kimberly Fairless, Mary Jo Fairless, Stephanie Cullipher and Stephens' family.

1986 - The Grady Britt Educational Gift established.
Fifteen students have received $200.00 each as they began their first semester of college.

There have been numerous memorial contributions from families during the 80s. The gifts have been of monies, property, pew cushions, gifts of stock, van, lighting fixtures for the parsonage, sanctuary and educational building. There have been other gifts in the past to enhance the worship and fellowship of its members. A reference point to this would be the *History of West Chowan Baptist Association North Carolina and Its Churches 1883-1983,* pages 36, 85. In addition, we have plaques engraved with memorial gifts, fitting to the persons so honored by families and friends.

This Church stands on this hallowed ground and demands the very best of the membership in the name of Christ in present and future.

COLERAIN BAPTIST CHURCH

Brief History of Connaritsa Baptist Church

In 1789, with members of Sandy Run Baptist Church and others joining the people of the Connaritsa community, Connaritsa Baptist Church was formed. The first structure constituted a brush arbor that later became a log cabin. Connaritsa took its name from the chief of an Indian tribe who had settled in the community. The original church was located approximately one mile east of its present location.

The earliest records are not available but according to those that are, they show the membership in 1851 numbered 257.

Letters of dismission were granted for organizing and constituting the following churches: Oak Grove, Lewiston, Aulander, Roanoke Island, Rocky Mount, Farmville, Brunswick County, Wake Forest and Concanary. Especially near its heart has always been Wake Forest College, Chowan College and Meredith College.

In 1890, the church held its centennial celebration with an estimated 2,500-3,000 present. Everyone was bountifully fed and the day was greatly enjoyed by all.

The church as we know it today was built in many stages. In 1904 a new building was completed which is now the sanctuary. At about 1930, six classrooms were added. In 1953-54 additional space was added that included a nursery, an office, a small classroom, a large classroom with folding doors and two bathrooms. In 1969 six rooms were added upstairs by lowering the ceiling of the original classrooms downstairs and adding stairs on each side of the building. The pulpit was remodeled and a baptistry was installed. A kitchen was provided and equipped. Stoops and the front porch were added and in 1974 sidewalks were added. The picnic shelter was built in 1957.

Prior to 1962 the church rented a house for a parsonage but in 1963, the Thomase Hale House was purchased and used as a parsonage. In 1974 the teacherage on Rice Avenue was purchased and used until 1986 as the parsonage. In July 1986, Richard Bazemore gave the Vernon and Rachel Bazemore Hoggard House to the church. In August of 1989 the church moved back to the teacherage on Rice Avenue.

Connaritsa has been blessed by receiving many gifts. In 1971 a communion table and chairs were given in memory of Moell Jernigan. The pulpit stand was given in memory of Mary Nowell and in honor of Clarence Nowell. The two flower stands were given in honor of Annie Chamblee and the two pulpit chairs were given in memory of Joe and Katie Jenkins and Ed and Lizzy Hoggard. An alter set and offering plates were given in memory of Jim and Sadie Francis. In 1974 a complete heating and air conditioning system was given in memory of Deacon Arthur Chamblee. In 1976 a steeple and lights were given in memory of Annie Bazemore Chamblee. In 1982 the church historical marker and lights were given in memory of Ruby B. Parker. Clarence Nowell and Elizabeth J. Adams left gifts of money to the church. Dr. Fred G. Hale and Lillian H. Harrell have given gifts of money. The oak cross in the back of the church was given in memory of Deacon Alton Jenkins. In 1988 the church received a Sharp Copier from the Aulander Oil Company.

Only one person, Dewey Howard, answered the call to the ministry. Once a Baptist in his youth, he now serves as a minister in the Methodist Fellowship.

On May 7, 1989, Connaritsa celebrated its bicentennial with approximately 400 in attendance. A wonderful day was had by all as former pastors, guests and members enjoyed good preaching, singing, food and fellowship. Only a church founded on an abiding faith and strong courage with love for one another could have weathered the physical, financial and spiritual storms of life and still remain unshaken by the influence of changing times and ideas through 200 years.

Moderator's Report

First, let me express my heartfelt gratitude to you for the confidence you placed in me as you gave me the vote to make me the first woman moderator of West Chowan Association, and for your support during my two years' service.

I remember the feeling that I was accepting such an overwhelming task - the feeling of fear that I was not capable of being the leader that was needed at that time.

But I also remember the pastor, who was chairman of the Nominating Committee, going with me into a classroom before the vote. There we prayed together that if it was not the Lord's will for me to become moderator, He would make it known when I was presented as the nominee. With the unanimous vote, I was deeply touched that the Lord was accepting me "warts" and all. I knew that if it was in His will, He could take my feeble efforts for Him and use them to accomplish His purpose.

It has been a pleasure working with our Director of Missions, Rev. Lonnie Armstrong, and our Secretary, Jo Ann Mizelle. Thanks to both of them for helping me through some "sticky" times!

As I look back on some of the highlights of these two years, the North Carolina-Sao Paulo Partnership with Brazil stands out. How excited I was traveling to the Brazilian association that West Chowan would be working with, seeing three from our association go to Sao Paulo to work in evangelism (after 14 months of working out details), and hearing the report of the large number who had accepted Christ during their ministry. What a thrill!

Another highlight was seeing our dream of an associational office come true. Moving into a new, modern, spacious building that we had worked together to build under the leadership of Rev. Lemar Wheeler was the beginning of new growth for us.

Another milestone was the completion of the five year growth plan for West Chowan. Bill Little and Rev. Joe McLean did a super job in leading committees to do a survey of the varied needs of the churches of our Association. They also took a closer look at the needs of our area outside of our churches, and with the guidance of Bobby Stafford from the State office, the final plan was put together.

Please pray that we will use this plan as a growth guide - that we will increase our baptisms by 100 percent by 1993 and that church attendance will be greatly increased. Pray that our churches will see the need to increase their giving to five percent of their undesignated funds to associational work. As the physical structure of our association grows, so do the monetary needs.

Forty of our churches are planning to take part in the Simultaneous Revivals in the spring of 1990. The success of these revivals will be determined by the amount of prayer that's put into it between now and then.

There were and are many more things I'd like to mention, but space does not permit. Again, many thanks for your love, support, and prayers during my two years as moderator. Let's work together to see this mighty giant called West Chowan Association reach its potential for Christ!

In His Name,
Corene Harris

Exeuctive Promotion Committee Report

The Executive Promotion Committee of the West Chowan Baptist Association met four times during the Associational year. Mrs. Corene Harris, moderator, presided over the meetings.

Each organization director and committee chairperson was given an opportunity to give a report and promote their work.

During the year the committee approved the following actions.

1. To have a Pastor/Church Relationship Committee consisting of seven people, a pastor and a layperson from each of the three counties. Rev. Joe McLean to serve as chairman.
2. To have a Family Christian Social Ministries Committee consisting of a chairman and five laypeople.
3. All churches requested to adopt the five year strategy plan.
4. To promote the Associational Emphasis Week, May 22-28, 1989, in all churches.
5. To develop a new five year schedule for Associational Meetings (spring and fall) 1991-1995.
6. To have each delegate and alternate who attend Associational Meetings wear a badge.
7. A special offering was requested from the churches and presented at the spring meeting to retire the associational debt. The offering was more than enough to retire the debt.
8. Growth assistance for Lawrence Baptist Church was requested from the Home Mission Board.
9. All churches were encouraged to participate in the 1990 simultaneous revival.
10. To sell the associational home in Aulander and put the money in a permanent trust fund and use the interest to go for a housing allowance of the Director of Missions.
11. The Stewardship Supper Meeting and the Area Evangelism Conference by the State Convention willbe on May 24, 1990. These combined meetings will be a "Witness Giving Seminar" in preparation for encouraging each church to participate in a witness giving revival in 1991.
12. The 1989-90 calendar was adopted.
13. The job description committee was asked to do a study on the DOM's job description with reference to honorarium received.
14. The Association now has a new piano, since the new office building was completed; it's been a dream of Miss Anna Belle Crouch, Association Music Director, to have this piano. Her determination and the generous offerings of the last two years at the Music Day Camp and others, her dream is now a reality. When one has a desire, determination and the Lord, great things will happen. We are most thankful for Miss Anna Belle and the dedication of her Music Day Camp.

The Executive Promotion Committee and the Association Council have been busy and accomplished many things this year.

Sunday School Report

The Sunday School theme for 1988-89 has been "Gather the People." The theme expresses the urgency to reach all persons for Christ, and to continue moving toward the Bold Mission Thrust goal of 10 million persons enrolled in Sunday School by September 30, 1990.

The first training event of the year was an age-group leadership conference, held at the Creech Memorial Church, October 24 and 25. There were 57 persons enrolled and 17 churches represented. The ASSISTeam of the association led the conferences: Linda Edwards, preschool; Carolyn Jennings, children; Cameron Currin, youth; Adolph Harrell, adults; Bill McEntire, outreach; and Herman Hicks, general officers.

In February 1989, the ASSISTeam attended a training conference, conducted by the state Sunday School Department. It was held at the First Baptist Church, Cary. Also in February, a study course was taught by the Sunday School director at the association office on the book, *The Small Sunday School at Work*. There were 22 pastors and Sunday School directors enrolled in the study, with 11 churches represented. It was taught on three Monday nights.

In May, the new Sunday School director (elect), Rev. Cameron Currin, attended the state-wide Key Leadership Conference at Ridgecrest, and later taught the same type of conference in our association on August 24. There were 15 persons in attendance.

On September 12, Rev. Currin planned and conducted the Sunday School Leadership Night at the Union Baptist Church. Training was provided for the four age-group divi-

sions, plus outreach and general officers. The conference leaders were: Linda Edwards, Carolyn Jennings, John Eure, Francis Cordrey, Bill McEntire and Cameron Currin. There were 55 persons enrolled, with 10 churches represented.

VACATION BIBLE SCHOOL was directed this year by Mrs. Shirley Pike. She enlisted a full faculty of leaders, who attended the state clinic in February. VBS clinics in the association were held at Colerain and Rich Square Churches, March 20 and 21. There were 91 persons enrolled with 27 churches represented, 17 pastors and 12 VBS directors. The VBS faculty included: Rev. Robert Medlin, directors' conference; Rev. Wint Hale, adults; Rev. Cameron Currin, youth; Miss Lula Mae Chamblee, older children; Miss Helen Draper, middle children; Mrs. Glenda Medlin, younger children; Mrs. Betty Joyner, preschool; Mrs. Doris Riggs, mission VBS; Miss Anna Belle Crouch, music. Mrs. Pike wishes to thank everyone who participated in the clinics.

My personal and sincere thanks to the ASSISTeam, Mrs. Shirley Pike, and all who have worked with the Sunday School in the past three years. It has been a privilege to serve as your director.

Respectfully submitted,
Herman Hicks
Sunday School Director

Church Training Report

The total Church Training enrollment for all churches in the West Chowan Association for last year was 959 (down from last year's total of 1,124). Twelve churches reported an ongoing Church Training program (one more than last year), while eleven others reported special short term programs.

For the year 1988-89, Church Training sponsored or participated in the following activities:

November 1988	"M" Night held at Creech Memorial Baptist Church.
April 1989	Associational Children's Bible Drill tournament at Galatia Baptist Church.
May 1989	State Children's Bible Drill tournaments.
August 1989	Director participated in Associational Key Leadership Conference at Ahoskie First.

This year *Church Training* is changing its name to *Discipleship Training*. The theme for the 1989-90 Discipleship Training year is "Committed to Discipleship." "M" Night which will be held at Union Baptist Church, Monday, November 27, will be planned around this theme. All churches are invited to participate.

Church Training Director

Royal Ambassador Report

Participation in the RA Track Meet held at the Hertford County High School on April 22, 1989, was good. Participating were the following churches: Aulander, Brantley's Grove, Galatia, Mt. Tabor, Ross, Severn, St. John's and Union. Approximately 50 boys were given the chance to compete in several events.

Rev. Jimmy Ward
RA Director

WMU Report

This has been a good year for WMU. We have had several age-level events with good response from the churches. About 25 of our ladies had the opportunity to attend the State Annual Meeting in Fayetteville on March 31 and April 1. It was a very good meeting with many great speakers. Our association, along with several others, was recognized for the hard work in meeting the Centennial Goals set to us by the National WMU Office. We owe Mrs. Sadie Whitley a special "thank you" for all her support and encouragement given each church. Our association had the most churches to participate of any association in the State. We are proud!

West Chowan Association WMU Annual Meeting was held in April. We had a very good meeting at Meherrin. During the afternoon session we had a representative from Odom Prison to speak to our group about the work we are doing with the inmates. He brought us messages from the inmates for our love and support. Ruby Fullbright from Taylorsville, North Carolina was our missionary speaker for both sessions.

We are in the planning stages for the 1989-90 year. We look forward to working with each of you during the coming year.

Julia Hughes

Brotherhood Report

I am happy to report that this has been a good year for Brotherhood in the West Chowan Association. There is beginning to be growth in our efforts to Mission Work. We have participated in various activities this year. Hopefully this will continue through the years ahead. There was an annual training session held at the Ahoskie Baptist Church in October 1988 for the Brotherhood and RA leaders.

This coming year, Rev. Elmer Joyner will be your Brotherhood Director. He attended the Key Leadership meeting at Ridgecrest in May. I'm sure that he will have new ideas and visions for the Brotherhood in our association.

We have confidence and believe that God wants us to move forward in our work for Him. Let us continue to pray for our leaders and become stronger in our work for the Lord.

In His Service,
Rev. Ray Craig

Music Report

Emphasis during this year has been to assist and give encouragement for the music ministry in worship. Cards, letters, telephone calls, the associational newsletter each month, and personal contacts have been the means to enlist participation for the different events, projects and activities in our association, state, and SBC.

Projects included: Musicians served and music selected for the semiannual meetings; an interracial Baptist Women's chorus participating in the World Day of Prayer and preparations to sing for the Home Missions Gala which was cancelled; two clinics held in connection with the VBS conferences; key leadership meeting at Ridgecrest; making plans for the music in the 1990 Evangelistic Crusade with the steering committee; directing the music conference for the annual associational key leadership workshop, working with the zone directors and local choir directors.

The WCBA Music Day Camp for children in grades 1-6 took place July 10-14 at the Ahoskie First Baptist Church. This was an exciting, inspirational, thrilling experience. There were 184 children from 21 churches including 33 either unchurched and/or in our choirs from other denominations. There were 28 adult small group leaders, 26 youth assistants from the host church. Others included nursery workers, accompanists, recreation directors, secretaries, maintenance personnel, members from six churches who served refreshments and the administrators. The Director of Missions for West Chowan, Rev. Lonnie Armstrong, served as camp pastor; Mrs. Regina Gober, coordinator with curriculum and Rev. Don Gober, music director. Approximately 275 were involved every morning for five days of singing, crafts, bible study, learning about rhythm, notes, time, definitions and worship.

We are thankful for the offerings given during the camps of 1988 and 1989. The children, their parents, and friends can be applauded for the beautiful Everett Piano which is now residing in the conference room of our associational building. You bought it! It is appreciated. Go by and see your contribution.

We are looking forward to the events for the next year, beginning with the coming of Charles Storey, director of music and Jim Reich, associate, from the North Carolina State Convention on October 30. They will be leading our directors and all choir members in a workshop and choral clinic as well as meeting with our pastors on the 31.

We shall be in prayer as music ministry members plan for the simultaneous evangelistic crusade and our mission projects. Let us begin another decade with faith, hope and love as we sing praises thoughout each day, knowing that God never leaves us alone. Thank you for your service.

Sing-cerely,
Anna Belle Crouch

Ordination Report

The Lawrence Baptist Church requested the Ordination Committee to examine Robert Hall for ordination into the ministry. The committee met with the deacons and Bro. Hall at the church on November 27, 1988. After telling about his call by God to the ministry and answering the questions of the committee about doctrine, beliefs about the Bible, missions and how he felt about church and convention relationships, they voted to recommend to the church his ordination.

The Ordination Service was held at the church on December 11, 1988. A reception was held at the conclusion of the service.

A request was made by Creeksville Baptist Church to examine Paul Traywick for the ministry. The committee met with Paul and the deacons of the church on October 6, 1988. They asked him to share his salvation and call to the ministry experience. Questions were also asked about doctrinal beliefs, the Bible, theological concepts and church and convention relationships. Having answered all of the questions, satisfying the committee, they voted to recommend his ordination.

The Ordination Service was held at the church on November 11, 1988.

Stewardship Development Report

A Stewardship Development meeting was held at the West Chowan Associational Building on May 4, 1989. After a delicious meal catered by the "Little Mint" of Windsor, Rev. Ken Batts, from the Stewardship Division of the Baptist State Convention, did a presentation on *Witnessing-Giving Lifestyle.* Each person present also received a packet of stewardship materials to take back to their local church.

The committee met on September 7, 1989, to prepare a budget for 1989-90, church year. It will have to be approved by the Associational Council and Executive Promotion Committee. Final action will be taken at the annual Associational Fall Meeting.

This budget reflects some increases in a few areas and some decreases in others. We are asking for *four percent of the undesignated collection plate dollars* to support the new budget. We cannot meet these obligations with a continued average of two percent that has taken place over the past three years. Our strategy plan calls for increased support in order to carry out the other goals. We are depending on our churches to help do it.

Robert Spivey, Chairman

Missions Development Report

The Missions Development Committee did not receive a request from any church in the West Chowan Association for any assistance during the year 1988-89. However, we did provide $250.00 to the youth of First Baptist Church of Ahoskie to assist in their mission work in New York during the summer. Many of you know that Ms. Sue Todd, from our association, is on the mission field in China, at her own expense. The Missions Development Committee authorized $250.00 to be provided for her use as she serves the Lord in that country.

Respectfully submitted,
James Hester, Chairman

Youth Report

On April 1, 1989, the Associational Baptist Youth Night was held at Cashie Baptist Church. The service began with announcements from Lonnie Armstrong. An "Air Band" competition was held just for fun and the three winning youth groups received cassette tapes of contemporary Christian music.

The film, *The Question* was viewed and was followed by a brief sermon given by Rev. John McGinnis on the topic of "What is the Meaning of Life?" Teenage suicide was also discussed as a follow up to the film.

The service was concluded and all guests were invited to enjoy fellowship and refreshments which were provided for by the Youth Committee of Cashie.

Approximately 60 youth and adults were in attendance from the following churches: Askewville, Aulander, Capeharts, Cashie, Colerain, Lewiston, and Merry Hill.

John McGinnis
Associational Youth Director

Evangelism Report

We come to the end of The Year of the Laity in Evangelism and Missions with mixed emotions. In some of our objectives, we have been successful, but in other areas we have not succeeded. One success story has to do with the Associational Lay Evangelism School conducted in November 1988. There were 24 enrolled, and of the number enrolled, 14 persons completed certification. They could then order materials and conduct a LES in their church. After this, they would be eligible to teach in other churches if asked. Our associational goal was that a LES would be conducted in each church in the association, but we fell far short of this goal. However, evangelistic activities have continued to be carried out in churches all across the association.

Early in 1989, the Associational Evangelism Committee met and initiated plans for the 1990 Simultaneous Revivals. The thematic emphasis for the 1990 revivals is "Here's Hope. Jesus Cares for You" and the dates for our area are March 18-25, 1990. An Associational Steering Committee, composed in part by members of the Evangelism Committee, and including other key people, has met three times. Some of the exciting events being planned, preparatory to the revivals, are as follows:

October 31, 1989 - Pastors' Briefing, led by Reverend Jack Byrd, 8:00 A.M.
January 19, 1990 - Prayer Retreat, Aulander, 6:00 P.M.
February 11, 1990 - Evangelistic Rally, Chowan College, 7:00 P.M.
Reverend Cleve Wilkie will be the speaker.

The Regional Evangelism Conference, Elizabeth City, October 16, 1989, will focus on church preparation for the revivals. Pastors attending should take their Pastor's Packets.

Of the 60 churches in West Chowan Association, 40 are participating in the simultaneous revivals. We anticipate a great moving of the Spirit as churches experience renewal, and much growth as many souls will be born anew in the kingdom of God. Your prayers are *vital* to success.

Looking ahead, on the heels of the simultaneous revivals, the evangelistic emphasis will be combined with stewardship-i.e. The Witness/Giving Life. On May 24, 1990, replacing the Regional Evangelism and Stewardship meetings, a seminar with the above title will be offered for pastors and key laymen.

The next six months will be extremely important as plans are made, and as simultaneous revivals are conducted. Let's commit ourselves to much prayer.

Windell R. Patterson, Director

Building and Grounds Report

During the past year your Building and Grounds Committee has been at work. There were several unfinished jobs at the West Chowan Association Office Building. Name plates have been installed on all the doors. Markers have been hung from the ceiling to mark the exists. The bathroom partitions still remain unfinished.

During the late Spring of this year, letters were installed on both sides of the bulletin board which read "WEST CHOWAN BAPTIST ASSOCIATION." The office building was sprayed around by one of our committee persons to control grass around the shrubs.

Even though we voted at the Spring Meeting to sell the association home in Aulander, we could not go on with the sale of the property until Mr. Wayland Jenkins and his lawyer had been contacted to make sure there were no legal matters hanging that would

create a problem for Mr. Jenkins (our gracious benefactor). You recall the home was a gift to our association from Mr. Jenkins. With all these matters taken care of, announcements were made in the West Chowan Newsletter that the house is available. All we need is a buyer at this time. Even though plans are underway to sell the property and put the money in a permanent trust fund; a screening fence has been erected in the backyard and plans are underway to haul fill dirt and rock to extend the driveway all the way to the back of the home. It is the feeling of the Home and Grounds Committee that the extended driveway will enhance the sale of the property.

If you or if you know of someone who would be interested in purchasing the association home in Aulander, please contact one of the following:

- Nathan Copeland 794-4041 office
- Lemar Wheeler 587-3021 home, 587-2371 church

Baptist Hospital Report

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the Clinical Sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads, one for the AirCare helicopter and a second for helicopters from other medical centers, will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people but to serve them better.

In recent months the hospital's Level One Trauma Center has seen further development of its critical care transportation system by adding to the helicopter ambulance service its own neonatal ambulance for critically ill infants. The CommView Computer System, developed jointly by the Department of Radiology and AT&T, digitizes images, stores large volumes of data and transmits the images via fiberoptic cable throughout the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into the tumor. Other types of cancer can be treated by hyperthermia which carefully focuses microwaves to raise temperatures inside a tumor to 102 degrees to 105 degrees Fahrenheit to kill or injure cancer cells. A technique called Mohs Micrographic Surgery allows the removal of skin cancer with minimal damage to normal skin.

These and other advances in patient care attract patients from across the country and around the world. Last year 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from 35 states, and from eight foreign countries.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville,

Morganton, Charlotte, Rockingham, North Wilkesboro; and the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs, as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

We renew our commitment to the faithful delivery of pastoral care, beginning in our Medical Center and reaching around the world.

Baptist Hospital continues to feel the effect of the health care personnel shortage, especially as it attempts to open new facilities. However, we do not have any beds closed due to shortages. The Code Blue Program in high schools of northwestern North Carolina and the appeal to Baptist youth through Acteens is also creating interest in health care careers.

During the past fiscal year Baptist Hospital received $668,937.39 through the Cooperative Program and $303,133.07 through the Homes and Hospital Offering, including church gifts directly to the hospital. The hospital staff and patients are grateful for the services made possible by these gifts.

Baptist Children's Homes of North Carolina, Inc.

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plague America's children and families.

While maintaining group care services in place since 1885, BCH also inaugurated two innovative services in Care House, the first home for teenage mothers and their babies we know of anywhere and the Philpott Parent Aide Program.

Care House, where five teenage mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 BCH dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, BCH named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange BCH speakers for your church and help your members with estate planning.

BCH continues to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

BCH continues to garner popular support with North Carolina Baptists who contributed $1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than $1 million has been received in bequests.

The executive committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

BCH, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs and Sunday School departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

Michael C. Blackwell, President

Baptist Retirement Homes

This marks the 38th year of ministry by the Baptist Retirement Homes to the Baptist Older Adults of this state.

Charged in 1951 with the mission of providing residential care for "Aged Saints," the Homes provide care for older adults in five locations across the state (Albemarle, Asheville, Hamilton, Winston-Salem, and Yanceyville).

A new continuing care retirement community, Brookridge, located in Winston-Salem, will open for operation in the fall of 1989.

Recognizing the growing need for quality residential care for older adults, the Board of Trustees of the Retirement Homes has formulated a three-pronged long-range plan to meet this need:

- To work with churches and associations in the development of regional continuing care retirement communities in the West, Piedmont, and the East.
- To work with churches and associations in the development of "free-standing" residential housing (independent-living units, and nursing-care units).
- To work with churches and associations in the development of alternative forms of residential care for older adults (respite care, adult day care, and home health care).

One of the greatest challenges North Carolina Baptists face as they move into the 21st century is the question of how residential-living situations for Baptist Older Adults are to be provided.

With the support of North Carolina Baptists, the Retirement Homes sees this challenge as a wonderful opportunity for ministry.

The Baptist Foundation

"Strengthening for Greater Service" had special meaning for the trust agency of the Convention during the past year. Noting the progress made during its 69-year history in undergirding the financial support for the Convention, its churches, institutions, and mission causes, the Foundation recommitted itself to greater service to these causes.

With concern that it performs its mission efficiently and that it involves more Baptists effectively in supporting the cause of Christ, the Foundation carefully embarked upon a capital campaign to secure funds for the construction of its own building to house its development and administrative offices.

Since its staffing in the early 1950s, space for the Foundation has been provided in the Baptist Building. With the consistent rapid growth in assets managed and services provided by the Foundation, the current space has become inadequate to properly perform the on-going work of the agency. We are pleased to report that the majority of the funds necessary to construct the new building have been secured. The new building will be erected beside the Baptist Building in Cary and we are hopeful that it will be ready for occupancy by the end of this year.

In engaging in this project, it has been of utmost importance to our Board of Directors and Staff that the on-going responsibilities of the Foundation not be neglected during the campaign. Indeed, the need for increased financial support for Baptist institutions, missions, and other ministries has not diminished, and has remained our first priority. It is essential that more individual Baptists become aware of the possibility of sharing the message of Christ beyond their lifetime. Seeking to fill this role, the Baptist Foundation is the only entity which receives endowment gifts for any and every Baptist cause.Through trust and endowment funds established by individuals, churches, and associations, the principal is invested and income is paid regularly and perpetually to the cause or causes named by the donor.

Total assets of the Foundation are now approaching $17 million, of which $3.8 million was added in 1988 alone, making this year the greatest year of growth in the Foundation's history. Last year, $1,258,775 was paid to Baptist work and to individuals designated in charitable remainder-type trusts. This latter agreement provides for income to be paid to the donor (or other individuals) for a specific period of time and then to charitable causes thereafter. Through this method of making gifts to Christian causes, the donor is assured that heirs are not neglected and that Christian causes will eventually benefit from the estate.

We are continually grateful for the support of Baptists across the state who support the mission and ministry of the Foundation. We welcome the opportunity to serve.

Christian Action League of North Carolina Report

When the 1989 Session of the General Assembly of North Carolina convened on January 11, the first bills to be introduced were three lottery proposals: one in the Senate and two in the House.

Such gambling legislation has become an annual event for the last six years. However, the pressure for establishing a state-wide lottery has been stronger this time around due

to two factors: 1. Virginia has started a lottery; and 2. Revenues are very tight, and some legislators were looking for some "easy" money to grant state employees and school teachers a pay raise.

The pro-gambling lobbyists and their favorite legislator, Senator Kenneth Royall (D-Durham) were successful in securing passage of lottery legislation in the Senate.

Senator Royall, one of the most powerful members of the Senate, used his political "clout" to keep the bill in committee until the closing days of the session.

He admitted to the media that he did not want the lottery to get tied in with the budget proposals. After the money bills had passed and the legislature was ready to go home; then, he made his move to put the lottery bill on a "fast track."

No time was left to call for a public hearing to give rank-and-file voters the opportunity for their input.

After the Senate passage, the gambling proposal hit a "snag" when House Speaker Joe Mavretic let it be known that the House would not delay the 1989 adjournment to take up the proposal.

The issue cannot be considered until the legislature convenes for its 1990 session on May 22, 1990.

This gives six months to solicit opposition to the measure from the membership of the North Carolina House.

Contact your North Carolina House member and secure his or her opposition to Senate Bill 4, the Lottery Act.

A lot of prayer, time and energy has been exerted in the current legislative session to defeat any gambling legislation; to prevent any erosion of our liquor laws; and to support efforts to strengthen our drunk driving statutes.

A Legislative Study Committee and the Governor's Highway Safety Committee held hearings throughout the state during the past year to get citizen input on ways to make our highways safer. As a result of these sessions, a Safe Roads Study proposal was introduced that consisted of the following features: 1. lower the breathalyzer threshold from .10 to .08 for drivers of motor vehicles; 2. ban open containers of alcoholic beverages in motor vehicles; 3. increase fines for drunk driving; and 4. establish a .04 standard for operators of commercial vehicles (bus and truck drivers). The House passed the bill, but the Senate Conference Committee members refused to accept the proposals. The bill can be considered in the May 1990 session.

Even with such a busy legislative agenda, the League has assisted in numerous liquor elections across the state.

We are hearing a lot of voices talking about declaring WAR ON DRUGS. U.S. Surgeon General C. Everett Koop has given our nation some words of wisdom: "It isn't ginger ale we're talking about. It's alcohol, the most widely abused drug. In the alleged war on drugs, alcohol enjoys a battlefield exemption. The United States will one day have to choose between alcohol and health... because we can't have them together."

Amazingly, the pulpits of America have become silent in so many of our churches concerning this NUMBER ONE ADDICTIVE DRUG. May this condemnation not be laid on the steps of the churches of your association.

The Christian Action League is ready to stand with you in the ministry of Applied Christianity as we confront the moral and social evils of today's world.

Coy C. Privette, Executive Director

The Biblical Recorder Report

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the *Biblical Recorder* is launching a new era of service and ministry for the decade of the '90s and the 21st Century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service to our family of faith.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single resource of news, information, inspiration and challenge in our mission efforts together.

Competition for reading time is keen. Baptists are facing more and more demands upon their time and resources. The *Recorder* is never a luxury; it is a necessity if we are to work together in this complex and demanding age.

We have exciting plans for the future. More feature articles about North Carolinians, more articles geared to youth, family and women. An even greater focus on laypersons will continue after the beginning we made in 1988.

And we are trying to work out the mechanics of church pages whereby we can save churches time, money and staff work by offering them a page in the *Recorder* in lieu of their weekly newsletter. Watch for more details in the *Recorder* in the near future concerning this time and money-saving device for the churches (and associations).

We have a large readership now but we want more--that is the purpose of the paper. We serve hundreds of thousands of Baptists but we want to serve even more. More than 60 percent of our news is from North Carolina now, but we want a higher percentage soon!

The most important thing facing us at this point is to get the paper into more Baptist homes than ever before. Will you help us? Not only subscribe to and read the *Recorder* yourself but please speak a good word for the paper and urge others to subscribe and read it also. Article 26. *Baptist Faith and Message* Statement.

I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture or error, for its matter. It reveals the principles by which God judges us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ.

II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ, he was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself the demands and necessities of human nature and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His death on the cross, He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, partaking of the nature of God and of man, and in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God. He inspired holy men of old to write the Scriptures. Through illumination, He enables men to understand truth. He exalts Christ. He convicts of sin, of righteousness and of judgment. He calls men to the Saviour, and effects regeneration. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the assurance of God to bring the believer into the fulness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. MAN

Man was created by the special act of God, in His own image, and is the crowning work of His creation. In the beginning, man was innocent of sin and was endowed by His Creator with freedom of choice. By his free choice, man sinned against God and brought sin into the human race. Through the temptation of Satan, man transgressed the command of God and fell from his original innocence; whereby his posterity inherit a nature and an environment inclined toward sin, and as soon as they are capable of moral action become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every man possesses dignity and is worthy of respect and Christian love.

IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense, salvation includes regeneration, sanctification, and glorification.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures of Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

B. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

C. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God, according to which He regenerates, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall preserve to the end. Believers may fall into sin and through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the cause of Christ, and temporal judgments on themselves, yet they shall be kept by the power of God through faith unto salvation.

VI. THE CHURCH

A New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation, members are equally responsible. Its Scriptural officers are pastors and deacons.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages.

VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, work of necessity and mercy only being excepted.

IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. LAST THINGS

God, in His own time and in His own way, will bring the world its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ.

XII. EDUCATION

The cause of education in the Kingdom of Christ is to coordinate with the causes of missions and general benevolence, and should receive along with these, the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people.

In Christian education, there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the preeminence of Jesus Christ, by the authoritative nature of the Scripture, and by the distinct purpose for which the school exists.

XIII. STEWARDSHIP

God is the source of all blessings, temporal and spiritual; all that we have and are, we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under the obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. THE CHRISTIAN AND THE SOCIAL ORDER

Every Christian is under obligation to seek to make the will of Christ supreme in his own life and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Christ Jesus. The Christian should oppose in the spirit of Christ every form of greed, selfishness, and vice. He should work to provide for the orphaned, the needy, the aged, the helpless, and the sick. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends, Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

XVI. PEACE AND WAR

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ, they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love.

XVII. RELIGIOUS LIBERTY

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom, no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

History of Lewiston Baptist Church

The Lewiston Baptist Church was organized on September 26, 1883, with thirty-two charter members. There appears to have been ony occasional preaching during the first several months of the church's life, when in November, 1884 the Reverend C.W. Scarborough agreed to preach for the congregation on one Saturday in each month until a pastor could be secured. On April 11, 1885, Dr. John Mitchell accepted a call by the church, becoming her first regular pastor.

Securing her first pastor was not the only problem which confronted the new congregation at Lewiston. The committee chosen to select and secure a site to build the new house of worship was having disagreement as to where the house should be located. After several meetings and reports, a site was purchased at a cost of $30.00. Then, however, the building committee apparently was unable to agree on the size and construction of the building. The first building committee was dismissed and a second one chosen before construction was begun on a framed, rectangular structure, thirty-five feet by sixty-four feet. The records of the church conference for November 8, 1884 reports: "Assembled in the new building on Saturday before the second Lord's Day in November. . ." However, the building was not completed and used for regular worship services until the spring of 1885, after the doors, windows, and a church bell had been put into place.

A Sunday School was organized in May, 1885 with H.P. Harrell serving as the superintendent. The first "protracted meeting" was begun on the second Sunday in August, 1885, with Pastor Mitchell assisted by the Reverend Jeremian Bunch. Services were held each day of the week at 11:00 a.m. and 2:00 p.m. A Woman's Missionary Society was organized in 1898, with Mrs. S.B. Barnes, President. Sunbeams and other auxiliary organizations soon followed.

Additions to the original church building were made in 1902 and 1916, with attempts made to provide adequate classroom space for the Sunday School and organizations. On March 23, 1939, the church in called conferenced decided to sell the existing property and to build the present building on Cashie street. The edifice - Georgian in style and brick veneered - was dedicated debt free on December 7, 1941. In 1955 the church decid-

ed to add an educational unit to the exisiting structure, which unit was completed and dedicated in 1958. The present parsonage - the second in the history of the Lewiston Baptist Church - was completed in 1967.

Sharing God's word through song has always been very meaningful to the church family. The church organ was given in loving memory by Mr. and Mrs. T.E. Gardner, 1949. The piano was purchased by the Youth Choir of 1954 under the leadership of Mrs. Ruby Joyner.

The First Baptist Church of Lewiston has been a part of the West Chowan Baptist Association since the beginning, attempting thereby to unite her influence and witness to that of sister Baptist congregations in the area in spreading the gospel of her Lord to the uttermost parts of the earth.

38. A welcome and prayer by Rev. Russell Rhodes, pastor of Kelford Baptist Church.

39. The history of Kelford Baptist Church was read by Mrs. Julia Cahoon.

40. The Director of Missions, Rev. Lonnie Armstrong, gave his report. He recognized Velma Ferrell, personal consultant from the Baptist building. Rev. Armstrong said that a lot of things had happened this past church year. It started off with a bang last October when "Hugo" devastated a large portion of South Carolina and also a portion of North Carolina. He thanked and praised the churches for a quick response in helping these areas that had been badly damaged. $17,712.00 came from the churches to help out in this disaster. Then a little later on in the year, Hertford County was confronted with the liquor by the drink and there was an appeal to the churches in Hertford County for some more funds to help defeat this issue. The churches and some individuals of Hertford County raised $1,430.00. Over 19 thousand dollars was raised for things that just "pop up" on us. The churches responded well for which we are so thankful. These extra effort things that seemed to plague us demanded action on the part of Christians and as Director of Missions, I give you a very special thanks for what has been done.

Rev. Armstrong said that the music day camp continued to be one of the most highly successful events in the entire church year and it was due to folks like Don and Regina Gober, Miss Anna Belle Crouch, Hugh Patterson and a whole host of co-workers that volunteer to do this week of music day camp. It has grown even outside of the denominational churches. They are asking to be a part of this and several outside churches did take part this past July. This is another one of those extra effort things that we enjoy doing and working with and thanks go to the folks that make this happen. The music day camp in this association ranks second to none in the other associations. There are no associations that do better than this association in the music day camp. Again, Rev. Armstrong expressed his thanks for those that help in making this happen.

41. A report on the Baptist Children's Homes was given by Mr. Norman Jameson.

42. A report on the Baptist Foundation was given by Rev. Garland A. Hendricks.

43. The hymn "Fairest Lord Jesus" was sung by the congregation.

44. Mrs. Doris Wiggins read from chapter 4 of Colossians and led in prayer.

45. Special music was presented by the Men's Trio of Woodland Baptist Church.

46. Rev. Lemar Wheeler, pastor of Woodland Baptist Church brought the morning message. A very inspiring message "Committed: Gods World, Our Ministry" - scripture 2 Cor. 5:17-21.

47. The hymn "Rescue The Perishing" was sung by the congregation.

48. Thanks for the noon meal provided by the Kelford and Ahoskie First Baptist Churches.

49. A musical prelude.
50. Called to order by Rev. Gerald Riggs.
51. The hymn "Down At The Cross" was sung by the congregation.
52. Rev. Lonnie Armstrong, DOM, introduced the afternoon speaker, Mr. David Coleman.
53. Mr. David Coleman brought the missionary message.
54. The hymn "Take the Name of Jesus" was sung by the congregation.
55. The following reports were adopted:

    1. Place and preacher - Rev. Bob Rogers
    2. Resolutions - Rev. Bill McEntire
    3. Memorials - Mrs. Mary Rose Lawrence
       Mrs. Lawrence brought a beautiful message in a song.
    4. Enrollment - Rev. Gerald Riggs gave a grand total of 302 for the two-day session.

56. The 1990-91 Associational Calendar was adopted.
57. The moderator, Rev. Gerald Riggs gave his message, reading from the writings of the Apostle Paul and expressing thanks for the prayers and support he had received during the first year as moderator of the West Chowan Baptist Association.
58. The hymn "When the Roll is Called up Yonder" was sung by the congregation.
59. Benediction and adjournment of the 107th Annual Fall Session of the West Chowan Baptist Association.

A Brief History of Meherrin Baptist Church

by Myra Davis Northcott

Meherrin Baptist Church was organized in 1729 as Parker's Meeting House and is the second oldest Southern Baptist Church in North Carolina. Meetings were held in a brush arbor until 1735 when a 20' by 25' hewn log building was erected. This work was done under the leadership of Joseph Parker. Including Rev. Parker there has been a total of 28 Pastors to serve at Meherrin Church over the past 261 years. Membership at Meherrin has grown from 100 in 1729 to 531 in 1990.

In 1929 Rev. J.M. Duncan came to serve as Pastor and wrote a history of the first 200 years of Meherrin Baptist Church. In 1989 Beth Ward picked up the history in 1929 where Rev. Duncan left off and brought it to 1989. Rev. Duncan's history and the history Ms. Ward wrote were put together in one book. The book is dedicated to Rev. and Mrs. J.M. Duncan and may be purchased.

Pastors who followed Rev. Duncan were: Rev. Jarvis Teague - 1953-57; Rev. Cecil Edgerton - 1958; Rev. John Davis 1958-69; Rev. Terry Jones - 1970-73; and Rev. Ronnie Eason - 1974-76.

Rev. Gerald Riggs has been pastor since 1977. Several accomplishments have been attained during his pastorate. The parsonage has been improved, the church celebrated 250 years with a 2 1/2 day anniversary emphasis, the choir loft has been remodeled, a new steeple installed, a Discipleship Training Department was organized, a Sound System installed, and in 1988 a chair lift was installed along with padding of the pews and carpeting throughout the Sanctuary, back hall and office area. A picnic shelter was erected behind the RA building also. Rev. Riggs is currently serving as the Moderator for the Association.

Meherrin, at the present, has an active Woman's Missionary Union, Baptist Men and RA Organizations, Discipleship Training Department, Music Ministry and Youth Program. Services are held on Sunday morning, Sunday evening, with Prayer Meeting on Wednesdays.

In closing, I would like to read the last paragraph in the book "A History of the Meherrin Baptist Church" written by Beth Ward, it says, "God's people, called Meherrin Church, have struggled together, cooperated together, suffered together, and ministered together in the name of the one who set us free from the penalty of sin, Jesus Christ. In laboring together to realize the purpose of the church, this church has worshiped, proclaimed, and witnessed, nurtured and educated, and ministered in the power of the Holy Spirit. It has been a shining light in the Murfreesboro Community, not for all its activities and accomplishments, but because of its struggle to share four simple truths with all mankind. Those truths are: Jesus loves me; Jesus loves all the children of the world; some children do not know that Jesus loves them; Jesus wants me to tell them. That is what being God's people is all about. That is where Meherrin Church has been, and will go, as long as our Lord tarries." Meherrin has accomplished much in the last 261 years and we are looking forward with anticipation to the future and the importance this beloved Church has on our lives as Christians.

Kelford Baptist Church

The Baptist people of the infant town of Kelford, feeling the need for Christian worship, met in the Kelford School on May 8, 1892, and organized a Sunday School. From this grew a desire for a permanent place of worship.

In the spring of 1898, people assembled in the schoolhouse for the purpose of planning for a house of worship. David S. Kenney presided. A committee consisting of C.L. Cobb, W.C. Evans, George T. Browne, M.W. Harrell, and George T. Parker, was appointed to draw plans, solicit funds, assemble materials and proceed with the building as soon as a suitable location could be secured.

Mr. Thomas P. Clyde, of the Clyde Land Corporation that started the town, generously gave a lot; and two additional lots were purchased.

Progress was slow as the promoters were tillers of the soil. A severe hail storm on May 20, 1898 destroyed the crops and the financial condition was at a low ebb.

By September 1, enough material was on hand to start work. A timely loan of $400.00 from Mrs. Fannie Jacobs was sufficient to complete the work except for painting.

On December 15, 1898, the people assembled in their house of worship to organize a church. Reverend T.T. Speight called the meeting to order. Reverend S.B. Barnes offered prayer and A.W. Early of Aulander was chosen clerk. Forty-two persons presented themselves for membership from other churches. Reverend S.B. Barnes presented the Bible. Reverend T.T. Speight preached the sermon and Kelford Baptist Church was declared duly constituted, with George T. Barnes, W.C. Evans, and George T. Parker as Deacons; George T. Barnes, Treasurer; and George T. Parker, Clerk.

On June 10, 1900 the church building was dedicated. The record shows a beautiful day and "the church was filled to overflowing."

During the pastorate of Reverend John F. Cale, classrooms were added, the interior of the auditorium redecorated and the baptismal pool added.

During the pastorate of W.H. Hollowell electric lights were installed.

During the pastorate of Reverend C.C. Prince, the church launced a campaign for a new building. Plans had to be postponed during World War II, but were begun again in 1948, led by pastor E.C. Upchurch. The church voted to remodel the sanctuary and add new classrooms and kitchen. During 1949 and 1950, while work was in progress, services were again held in the schoolhouse. In December of 1950 they returned to the unfinished building. On May 1, 1955 dedication services for the new building, debt free, were held with Reverend E.C. Upchurch returning to preach the dedicatory sermon and C.C. Prince preaching in the afternoon. Also in 1955 the need for a pastorium became acute, so the church built a seven-room home. Reverend W.J. Sheridan was pastor at the time.

Since this time, central heat and air conditioning have been installed in the church.

But all has not been brick and mortar. A Woman's Missionary Union was organized about 1908 with Mrs. Irene Harrell as leader. The missionary organizations have continued active throughout the intervening years. Gifts through the Cooperative Program and to state, home and foreign missions have increased.

Kelford is a declining area, so membership has remained small, but many have gone from the church to other areas to serve as doctors, lawyers, teachers, and business leaders. The late Charles E. Parker was called into the ministry and ordained the pastorate of W.H. Hollowell in the 1920s.

The church has been in fields with Sandy Run, Lewiston, Pleasant Grove and Menola.

The influence of the church cannot be measured here, but in the hereafter. Those who still are a part of Kelford Baptist Church take courage from the great saints of God whose faithfulness and dedication left us our heritage of today.

Moderator's Report

It has been a real joy for me to serve as your moderator during the transition period of our Associational Organizational structure. Our Associational Committees and Organizations have done a superb job in carrying out the mission task that has been assigned to them. The Associational Council and the Executive Promotional Committee has worked hard to execute "the five year growth plan" that was adopted by the Association.

"Here's Hope Revivals" were a great success in our Churches. More people were baptized than any other simultaneous effort that I can ever remember us having in the West Chowan Association.

Our monetary giving has been greater than any other year which is a good sign that our churches believe in missions and are willing to give sacrificially in order to get the job done in our own local area. Let me, as your Moderator, encourage you to strive to get your church to give five percent of your undesignated funds to Associational Missions. When I came to Pastor in the West Chowan Associaton in 1977 the Associational budget was $28,780. This year we are looking at a proposed budget of $77,477.97 of which we can reach if we adopt it for the Glory of God.

My prayer is that God will continue to lead us as we look through the eyes of Christ at the Mission Field all around us.

Respectfully submitted,
Gerald K. Riggs

Executive Promotion Committee Report

The Executive Promotion Committee met four times during the associational year. Each organization director and committee chair-person was given an opportunity to give a report and promote their work.

Rev. Gerald Riggs, Pastor of Meherrin Baptist Church was elected as moderator and Mr. Norman Earl Godwin was elected as vice-moderator.

The committee approved to allow the Director of Missions any honorarium that he may receive from any of the churches.

A computer was purchased for the office.

A Hugo disaster fund was set up and Rev. Armstrong, DOM, commended the churches and particularly a number of the small churches who came through in a very fine way in trying to help in a terrible situation. A total of $17,712.72 in contributions came from the churches.

The committee unanimously approved for the Director of Missions to be placed on a $700 per month housing allowance beginning October 1, 1990.

The committee unanimously approved to extend Rev. Armstrong's time of two years beyond the age of sixty-five and to re-negotiate at that time for extension beyond, if things were going well. This was to be on an individual basis only and would not change the present job description. However, when this came for a vote at the Spring Meeting, the retirement age of 65 was omitted all together.

The 1990-1991 calendar was adopted.

This has been a very good year. A lot of things were accomplished and with committment and dedication there are even greater things that can be done.

Floyd Barmer
Associational Clerk

Missions Development Report

The Missions Development Committee met in January and reviewed the book, *Church Mission Development.* We also looked at our responsibility in the five year Strategy Planning for West Chowan Association.

One of our goals in this planning was to establish new black missions. To do this, we were to contact Corbin Cooper for guidance. He came in February. Contacts have been made toward starting bible studies and bible schools among the blacks.

In February, the committee sent $150 to Betty Jo Hensley, missionary in Panama to help get supplies for the WMU camp there.

Rev. Elmer Joyner taught "Missions and the SBC" associational wide in June.

The amount of $500 was given to aide Miss Anna Belle Crouch to go on a mission trip to China to teach English.

Many thanks to each of you who helped prayerfully and financially for me to work in Poland in April and in Brazil in September.

As outgoing Mission Development Director, I challenge you to share your testimony about Jesus Christ with anyone who will listen, every day, that all may come to a saving knowledge of Him!

Prayerfully submitted,
Corene Harris

Discipleship Training Report

The total Discipleship Training enrollment for all churches in the West Chowan Association for last year was 906 (down from last year's total of 959). The number of churches reporting Discipleship Training is also down from 23 to 18. This decline in the number participating in Discipleship Training resulted in the *Discipleship Training Interpretation Seminar* which was held this past September. The purpose of the seminar was to review Discipleship Training Materials, explain how they can be implemented in the church, and to help churches begin, enlarge, and improve their total Discipleship Training programs. Twenty-five were in attendance at the seminar. We hope that the next year will show an increase in Discipleship Training participation by both individuals and churches.

For the year 1989-90, Discipleship Training sponsored and/or participated in the following activities:

November 1989	"M" Night held at Union Baptist Church.
April 1990	Association Youth and Children's Bible Drill tournament at Galatia Baptist Church.
May 1990	State Youth and Children's Bible Drill tournaments. Director attended Key Leadership Conference at Fort Caswell.
August 1990	Association Key Leadership Confernce at Ahoskie First.
September 1990	Discipleship Training Interpretation Seminar at association office.

The Discipleship Training Department promotional strategy for 1990-95 is DiscipleALL. Discipleship Training for ALL Church Members. The Associational "M" Night theme for 1990 is *Accept the Challenge: DiscipleALL. The Doctrine of Lordship* will be the Baptist Doctrine Study emphasis for 1991.

In His service,
Billy E. Nale
Discipleship Training Director

RA Report

We had a very successful year in RAs. We had RA Week, November 5-12. All churches were asked to participate and on November 11 we had an RA Rally at Ross Baptist Church in Bertie County. There were 48 boys and leaders in attendance. During RA Week there was a film shown at the associational office entitled "RAs Go To Camp."

December 2 we attempted to have a World Walk for Foreign Missions. There was very poor response due to the Christmas parades. We will try again next year!

In April we had RA Field Day. It was very well attended by many of our churches. Ribbons and certificates were given to each one participating. Refreshments were furnished by Mt. Tabor GAs.

In August there was a joint venture with the Associational RAs and GAs to participate in raising money to help pave the parking lot at the West Chowan Association Office. This all took place at Chowan College. Those taking part in the walk-a-thon were from Askewville, Christian Harbor, Mt. Tabor, Union, Merry Hill and Powellsville Churches.

We have talked with several churches concerning starting RAs. If you have any boys in your church that are not in an active program, why not call me and lets get RAs started.

Thank you for all your support this year. Be sure to look at the calendar for next year and plan to take part in RA activities. You won't regret it.

Brotherhood Report

The BROTHERHOOD is the name of the men and boys mission organization. The Baptist Men met twice annually for breakfast. Our April 1990 meeting was held at the associational office with 35 men present. The group adopted a project to raise funds to pave the associational office parking lot.

Already given for this project is $1,924.87.

Approximately $309.00 was raised by the RAs and GAs in our churches.

The second meeting was held Saturday, September 8, 1990 at Winton. There were 48 men in attendance. A delicious breakfast was provided by the Baptist Men of Winton. At this meeting, the men adopted the project of weatherizing houses for the poor or elderly and cutting wood for them. Instead of the project singling out a few homes in each county, the men were encouraged to look for opportunities within their own church neighborhoods where they could bless some older person or person with limited means of buying fuel.

Thirty-eight of our 60 churches have on-going RA and/or Baptist Men programs. If Wint Hale or I can be of any service to the churches in this area, please let us know.

WMU Director's Report

It has been a good year working with the WMU in the Association. We started our year with trips to Ridgecrest, Caraway and Goldsboro to attend the State Workshops. We met in May for our annual planning and enjoyed sharing with the age levels in their activities. During the summer months we met and planned for the leadership conferences. We had a good group attending the leadership conferences, but we need to strive to train members of WMU from all 60 of our churches.

We had opportunities to share with the age level organizations as we had the Baptist Women's World Day of Prayer, Manual Studies by all the age-levels, Mission Action Fair, Mission Action Christmas Project for Odom, Banquets, Book Studies, Fun day for GAs, Christmas in August, Singspiration for BYWs, a trip with Baptist Women to the Foreign Mission Board and the Missionary Learning Center, and so many more activities.

In January, the trip was planned for the State Annual Meeting at Ridgecrest Baptist Assembly in Asheville. Several of you sent in your reservations, but we did not have

enough to respond, so the bus trip was cancelled. For those of you who had the opportunity to attend, it was a very inspiring meeting and really spoke to us at home in our missions opportunities. We have two ladies from our association serving on the State Board for 1990-91 and are very proud of Corene Harris and Doris Riggs. Remember to keep these ladies on your prayer request. We had about 25 from our association to attend the meeting, inspite of the weather and the long trip.

It has been a real pleasure serving as WMU Director for the past three years and I am sure I will miss the work. Let each one of us keep the WMU Council high on our prayer list and support the work of WMU in our association. It takes each one of us to keep "Missions Alive." Pray that God will use you and open your heart to his call of missions. As God does call you, please respond with the words, "Here Am I, Use Me Lord," because you may never have the opportunity to come your way again.

In everything we strive to do in our church, our association or on the state level, let us give God the praise and Glory for a job well done.

Love in Christ,
Julia O. Hughes, WMU Director

Music Report

The Music Department of the West Chowan Baptist Association had projects during 1989-1990 which were entertaining, informing, motivating, and inspiring as we were led to greater service for the Lord through music ministries.

Musicians from many churches were involved in various projects. On October 30 there were 151 present from 21 churches. Directing the Music Workshops were Mr. Charles Storey and Mr. James Reich, from the Baptist State Convention Music Department. They also led the music for the "Here's Hope" Pastor's Breakfast on October 31. In November an inter-racial women's chorus of 32 voices sang at the Baptist Women's World Day of Prayer. In January 151 singers from 19 churches presented a sacred concert and led in congregational singing for the "Here's Hope" Crusade Rally. During the month of March there was special music during the Week of Prayer for Home Missions. In April there was a special session for musicians at the associational VBS clinic. I attended the State Key Leadership Conference in May at Caswell. The third annual Music Day Camp for children in grades 1-6 was held in July. There were 30 churches represented with 222 enrolled and an average attendance of 201; perfect attendance was 181. An offering of $900 was received to purchase hymnals for the association office. In August 12 attended the Association Key Leadership Conference for musicians. September was preparation month for the coming year. WCBA received a Music Standard of Excellence Certificate from the SBC and NCBSC Music Departments.

Special thanks go to Mr. and Mrs. Don Gober, Mr. Hugh Patterson, Rev. Lonnie Armstrong, and Mrs. Carrie Buck for directing the Music Day Camp; to Mr. Patterson for leading the Key Leadership Conference; to the zone directors, Mrs. Amy Hoggard, Mrs. Pam Cox, and Mr. Thomas Ruffin, for making contacts throughout the year; and to Mrs. Jo-Ann Mizelle for her helpfulness with the many activities.

To all of you who commit yourselves to minister with God's gift in music week after week, you are appreciated.

It was a challenge, privilege, opportunity and joy to be selected to represent all of you in the association for my recent trip to China. I was to teach conversational English dur-

ing July and August. There were 44 of 16 states who were pioneers at six universities in South China. Mrs. Sue Todd, one of our own is a teacher there. Continue to pray for 1/4 of the world's population in Asia and the rest of the world with such great needs even as we remember one another. Thank you for your thoughts and prayers.

Stewardship Development Committee Report

The Stewardship Development Committee began its year with Bobby R. Stafford, director, Associational Development of our North Carolina State Baptist Convention leading us in a one night conference on associational stewardship. Our committee is looking into ways to let West Chowan Baptist know what ministries we are about. We have a sub-committee working on the May 1991 Association Week of Prayer Emphasis.

A conference was led by Stewardship-Evangelism on the new emphasis of "Witnessing-Giving." This was led by Talmage Williams, director, Stewardship Development and Victor G. Cole, director, Evangelism Development of our North Carolina State Convention Office.

The Committee met in June, to prepare a budget for the new associational year 1990-91. It was approved by the Associational Council and the Executive Promotion Committee. A letter and copy of the new budget has been sent to our churches. Final action will be taken in the Annual Fall Association Meeting.

In our Associational Key Leadership Conference in August, I shared about our new budget and ways to promote stewardship in the local church.

Your Associational Development Committee covets with you and your church as you seek God's will in your commitment and increased giving this new year. Thank you for your concern and support of West Chowan Baptist Associaton.

Pastor/Church Relations Report

This committee met twice and planned and prepared for two "Trust-Building" seminars; one for the western portion and one for the eastern portion of the association. The seminars were held on Monday, August 27 at Creeksville Baptist Church and Tuesday, August 28 at the First Baptist Church of Ahoskie.

Neil Chafin, director of the Pastoral Care Foundation, School of Pastoral Care, Baptist Hospital in Winston-Salem and a very gifted baptist layman, led the two seminars very effectively. He dealt with developing healing relationships, diagnosing and dealing with conflicts in the church and role re-negotiation. A total of sixty-five persons representing 22 churches participated in the seminars.

We hope and pray that this is just the beginning of our deliberate efforts to improve relationships in each of the churches in the association.

Evangelism

Permeating all phases of our associational work, evangelism was highlighted by a number of events in the year ending with this meeting.

We began the year with our main project being that of the 1990 Here's Hope Jesus Cares for you Simultaneous Revivals - March 18-25. The Here's Hope Association Steering Committee worked hard. Events such as the two Prayer Retreats, which were inspirational and well attended, the Simultaneous Revival Rally at Chowan College, which gave a spiritual lift to all, the Prayer Breakfasts during the week of revival, which were excellent, and the support of all participating churches, came together to make for a great experience. The publicity was very good, and our publicity chairman was successful in getting valuable publicity donated. Because of this and other factors, such as the efforts of the associational office, and use of the Associational Newsletter, expenses were kept down. The response of the thirty-eight churches participating was very good and, consequently, we had a carry-over of $2,164.17, which is being proposed for evangelistic causes in the new associational year. The supreme highlight was in the success of the Here's Hope revivals in the churches. There were 63 professions of faith reported, 15 additions by transfer, and approximately 545 other decisions and rededications. The evaluation ranged from good to "tremendous success."

Members of the Associational Here's Hope Associational Steering Committee were as follows:

Reverend Lonnie Armstrong - Director of Missions
Reverend Cameron Currin - Vice Chairman/Enlistment
Mrs. Jo Ann Mizelle - Secretary
Reverend Lemar Wheeler - Fellowship Meetings Chairman
Reverend John Spencer - Prayer Chairman
Mr. Jackie Brinkley - Publicity/Media Chairman
Mrs. Corene Harris and Reverend Gerald Riggs - Moderators
Miss Anna Belle Crouch - Music Director
Reverend Herman Hicks and
Reverend Cameron Currin - Sunday School Directors
Reverend Windell Patterson - General Chairman

In May Reverend Robbie Best, newly elected Evangelism Director, attended the Kay Leadership Conference at Caswell. He subsequently led the evangelism conference in our Associational Key Leadership Meeting in August. Let us give our best in support of him as he leads us in the area of Evangelism. The new emphasis will focus on the theme: "THE WITNESS-GIVING LIFE."

Windell Patterson, Evangelism Director

Family & Christian Social Ministries Report

Moderator, Brother Pastors, Messengers:

It is my pleasure to give you the report of the committee of Six on Family & Christian Social Ministries. In keeping with our mandate to conduct surveys to determine needs for strengthening, to determine the greatest needs in Christian Social concerns and to develop strategies we do wish to report to you those things which we have reported to the Associational Council for budget planning and ask your attention:

1. As there exists a need for ongoing emergency food assistance, we wish to encourage the establishing and support of Food Pantry's in each of the counties of the Association.

2 As there exists an ongoing need for meeting and modifying according to the physical changes necessary to afford accessability to churches and residences for the use of senior citizens and the handicapped, we wish to encourage the Baptist Mens initiatives project to assist with the same.

3. As there are changes in pastoral leadership, we wish to encourage the establishing and support of a new preacher education needs - networking - resources pamphlet by the W.M.U. using the many lay and ministerial resources of the churches of the association.

4. As there is an ongoing need to increase sensitivity and awreness of the needs of others, we wish to encourage all that is being done in the name of our Lord to alleviate suffering and render assistance each day across the Association by our churches.

The things that were done during the church year consisted of:

1. Landscaping the associational office with timbers, new dirt, and bark placed around all the shrubs.

2. A hood was installed over the stove at the association home in Aulander.

3. The associational home is for sale. The Director of Missions has moved to his doublewide mobile home at Route 1 Box 192, Pendleton.

1990 Baptist Hospital Report

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession. . . One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement from Dr. Charles P. Nicholson, Jr., Baptist Hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this $190 million expansion program has recently been completed and occupied. The Clinical Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Administrative Offices, and other functions. Nearing completion, is the Day Care Center for children of medical center employees. Under construction, is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant additon to the Patient/Visitor Parking Deck. Construction on the Center on Aging Building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before." In addition to continuation and improvement of many established procedures, several new diagnostic and treatment programs have been started recently. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are also being performed now in our Baptist Hospital. A Cranio-facial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing out atherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic Surgeons began use of the Ilizarov Technique for the repair and lengthening of broken bones. New approaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman Gray/Baptist Hospital is the only medical center in the nation using and evaluating Clinodean, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

Through these various services we provided 210,456 days of care for 22,607 patient admissions last year. In addition to these, there were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital, and in Ambulatory Surgery. These patients came from all across North Carolina and from thirty-four other states. Also the number of patients being referred to us from foreign countries is increasing as the reputation of the Medical Center spreads throughout the world.

The Department of Pastoral Care continues to strengthen its reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families, and more than 14,000 services for hospital and church staff members and their families. The Minister's Care Plan, a joint program with the Baptist State Convention, had 1,446 sessions with more than 200 different clergy families last year. The new Missionary Counseling and Support Services Program saw 48 individuals in its first six months. The division of Clinical Pastoral Education/Chaplaincy had 53 students enrolled.

During the fiscal year ending June 30, 1990, the hospital received $692,946.24 through the Cooperative Program and $271,361.24 through the Homes and Hospital Offering

and direct gifts. Cooperative Program Funds are used for the Department of Pastoral Care, and other church gifts help to provide Benevolent Care for financially needy patients. The hospital staff and patients are most grateful for this continuing financial support.

1990 Baptist Children's Homes of North Carolina, Inc. Report

For 105 years Baptist Children's Homes of North Carolina has been giving children a chance at life. This year we formalized that phrase into our first state-wide fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Some of the endowment earnings will increase training to help staff deal with ever changing needs among the 1,000 children and families they serve each year.

Baptist men of North Carolina have agreed to build the new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately $75,000 in construction costs.

Children's hopes were also bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12 year absence, BCH lost more than $1 million in revenue.

In the change from a Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months without a special collection, a period that encompasses more than an entire fiscal year. For the past five years that special collection has meant $400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches aware of the difficulty, have promised to begin receiving the Thanksgiving Offering in 1990.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. That is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

In August, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. Taht raises to 11 the number of emergency care homes BCH operates. That service, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

In 1991 BCH will celebrate the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

Baptist Children's Homes has a 105 year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to

wrap children and families with eternal blessings.

Baptist Retirement Homes of North Carolina, Inc., Report

1990: PROVIDING THE BEST OF TIMES TO N.C. OLDER ADULTS

Making life for Older Adults the Best of Times is the continuing goal of Bapitst Retirement Homes of North Carolina, Inc., which operates four residential facilities for Older Adults around the state - Albermarle, Asheville, Hamilton and Winston-Salem.

In Hamilton, Baptist Retirement Homes has provided assisted living in a residential setting for Older Adults since 1962. Getting the word out about the quality of care provided by the home is the purpose of a committee that has been formed to help promote the Hamilton Baptist Home around the region. Its Ministry is greatly enhanced by the strong support of the surrounding community and its churches. The Brotherhood, WMU and senior adult clubs at many nearby churches provide fellowship, entertainment, skills and physical labor, household needs - whatever they see are needed by the home.

The other homes around the state have equally promising years ahead.

The Board of Trustees of Baptist Retirement Homes applied in July for permission to construct the 60 nursing care beds the state is allocating to Buncombe County in 1990.

State approval of its plans will be the next step toward adding a 60-bed healthcare unit to the Western North Carolina Baptist Home. Currently the only nursing care provided by Baptist Retirement Homes is the 85-bed nursing-care unit at Brookridge Retirement Community in Winston-Salem, the newest facility operated by Baptist Retirement Homes.

In Winston-Salem, Brookridge celebrates its first birthday in 1990. It is the largest of the facilities, providing five levels of care - independent living in garden homes, independent living in apartments, and assisted living, intermediate nursing care and skilled nursing care in its health-care unit - to 350 Older Adults.

The Albermarle Baptist Home also provides assisted living to 30 Older Adults. It also offers respite care for those families who are responsbible for an Older Adult and need some time away from that responsibility. It, and other alternative forms of residential care for Older Adults, are additional ways being explored by the Homes to meet the growing needs of the Older Adult Baptist population in this state.

Please pray for our ministry.

THE TRIPOD

Dr. S.L. Stealy, the late founding president of Southeastern Baptist Theological Seminary, once said, "The Tripod upon which Baptists have based more than one hundred years of progress has been MISSIONS, EVANGELISM, and EDUCATION. To shorten one leg of this tripod is to endanger the whole." This is a statment all Baptists should ponder.

North Carolina Baptist colleges are guided, as are the churches and the Convention, by historic Baptist principles:

1. The authority of the Scriptures and the Lordship of Christ. Because we regard the Bible as sufficient authority, to be interpreted by the individual under the guidance of the Spirit of God, we do not need authoritative creeds or ecclesiastical organizations as a substitute for the authority of the Bible.

2. The competence of the individual and the priesthood of believers. Each individual has the right to approach God directly, and every individual is competent to deal directly with God in all matters pertaining to salvation and the Christian life.

3. The autonomy of the local church and cooperation in Christian service. Each church is congregational in organization, with every member having the right to vote. Cooperation, not coercion, is the basis of denominational unity.

4. Freedom of religion and a free church in a free state. Religious liberty rather than religious toleration is a North Carolina Baptist distinctive.

The enduring ties and relationships between Baptist colleges, Baptist churches and the Baptist State Convention help to guarantee the tripod's balance and a healthy spirit of partnership in the Gospel.

North Carolina Baptist Foundation Report

The historical records of the North Carolina Baptist Foundation will reveal 1989 and 1990 to be significant in its 70 year history. Organized following action taken at the 1919 Convention and chartered by the State of North Carolina in 1920 as a charitable corporation, the Trustee agency of the Convention has only in recent years begun to have an impact in providing financial support for Baptist institutions and mission causes.

Charged with the responsibility of creating greater awareness among Baptists within North Carolina concerning estate stewardship as a viable and significant means of providing financial support of Christian endeavors fostered by our churches, the Baptist Foundation assists individuals in the establishment of endowment and trust funds. Through these funds, financial support is provided the donor's chosen Christian cause or causes on a continuing basis for years to come, long after the donor's death.

The growth of the Foundation, in terms of assets managed, has been significant during the past few years. Since January 1, 1988, the assets placed under management of the Foundation has increased by over $13 million through May, 1990. This exceeds the asset growth goals set in 1986 for a five year period.

Trust income distributed to Baptist institutions and mission causes 1988 and 1989	$ 1,106,930
Trust income distributed to individuals with Baptist causes named as charitable remainderman during 1988 and 1989	$ 1,361,836
Assets held in trust and endowment funds as of June 1, 1990 (unaudited)	$26,176,481
Assets held in trust and endowment funds as of December 31, 1989 (audited)	$18,133,634

Gifts of appreciated assets, such as stock and real estate, can be placed in trust to generate income for individuals and then pay income to Christian causes beyond their lifetime. As a result of this unique opportunity to give, older adults are realizing the joy of establishing life income trusts. This plan often provides a significant increase in per-

sonal income, bypass of capital gain taxes, creation of a charitable deduction for income tax and estate taxes, and assures an eventual gift to Christian endeavors.

A new home for the Baptist Foundation was built during 1989 and early 1990. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in February 1990, and provides much needed space for the work of staff as well as for conferences and meetings.

The Foundation employs seven full time employees and operates under the direction of a 20 member Board of Directors elected by the Baptist State Convention.

1990 Annual Report
Christian Action League of North Carolina, Inc.

The last twelve months have been eventful ones in the Ministry of Applied Christianity.

LEGISLATIVE ISSUES

1. GAMBLING

All three lottery bills died in committee because the pro-gambling forces just didn't have the votes. The gambling industry launched a major campaign this year because the state was facing a $500 million budget short-fall. They employed the most effective lobbyists that can be found in North Carolina. The State Government Employees Association made the lottery its number one legislative objective. Yet, all of this wasn't enough because the Christian community spoke up.

You can rest assured that the gambling industry will be back in 1991.

2. DRUNK DRIVING

Proposals from Governor Jim Martin and a Legislative Study Committee that really would have toughened our drunk driving laws did not materialize. Some well-known defense attorneys made "sham" compromise offers in the House-Senate Conference Committee, but the House conferees rejected the offer. In many ways, the Senate compromise would have weakened even our current laws.

The House Bill provided for:

a. The lowering of the breathalyzer blood alcohol level from .10 to .08;
b. The banning of open containers of all alcoholic beverages in motor vehicles;
c. Increasing the civil revocation of driver's licenses from 10 to 30 days (North Carolina is the only state in the nation with less than a 30-day loss of driving privileges for registering a .10 or above on the breathalyzer);
d. Increasing the fines for being convicted of drunk driving (in 1947 the minimum fine was $100, and it is still the same 43 years later);

3. ABORTION

a. Because of the outstanding work of Representative "Skip" Stam of Wake County, the House voted to reduce the state's abortion fund from $400,000 to

$100,000. These remaining funds could not be used for abortion as a means of birth control. They could only be utilized for abortion when the mother's life is endangered, or in cases that result from rape or incest. However, the Senate voted to leave the funding at its current rate.

b. A parental consent proposal overwhelmingly passed the House requiring a parent's approval before an abortion could be performed on a minor but the bill died in the Senate (such consent is required before a school official can give an aspirin to a student, but such consent is not required for a minor to receive an abortion).

4. OBSCENITY

The Senate did approve Representative "Skip" Stam's House bill to make the possession of child pornography a felon.

The U.S Supreme Court, in upholding a Ohio law, stated that the purpose of such legislation is to protect the victims of child pornography and that the State of Ohio passed it "in hopes of destroying a market for the exploitative use of children."

We applaud that work of Representative Stam of Wake County (a Deacon in the Apex Baptist Church) in his tireless efforts on this legislation. Children deserve the most stringent safeguards our laws can possibly provide.

5. MISCELLANEOUS

Other legislative proposals such as raising the tax on alcoholic beverages and requiring the teaching in public schools of sexual abstinence outside of marriage to combat the teenage pregnancy problem were side tracked by the Senate. Incidentally, the tax on beer has not been increased in North Carolina since 1969. This reveals how strong the beer lobbyists are.

CHURCH AND COMMUNITY ASSISTANCE

In the past year, the League has successfully assisted in alcoholic beverage campaigns in places such as Hertford County, Pamlico County, Concord, Lumberton, Manteo, Morganton, Archdale, Waynesville, etc., in their efforts to defeat various referenda such as liquor-by-the-drink and beer-wine sales.

We have sought to keep the Christian community informed on moral and ethical issue through our publication, *Tomorrow*, and through speaking in churches, pastors conferences and civic clubs.

Thank you for your prayers and financial support in our Ministry of Applied Christianity.
